

30 car windows damaged in St. Albert shooting spree

St. Albert turned into the original Wild West town last Thursday and Saturday nights as car driven hoodlums shot out car windows

with a pellet gun. Staff Sergeant Al Dirk of the St. Albert detachment expressed concern over the incidents saying, "I don't

know what turns on kids (if they were kids) into doing that sort of hanky panky."

He pointed out that the outburst had taken place a week after a similar incident in the Edmonton Beverley area. About 30 cars in the Grandin, Sturgeon, Braeside and Forest Lawn areas of town had their side windows and in some cases rear windows shattered or knocked out during the attacks.

According to Staff Sergeant Dirk this is the first time such an incident has occurred in St. Albert. He feels it is highly unlikely that there is someone nonchalantly walking around with a gun to do the damage and that the culprit or culprits must be driving a car on their rounds.

There is no estimate on the damage done to the vehicles, but Staff Sergeant Dirk feels that it must come up to "quite a few bucks." As yet the RCMP are "grabbing at straws" in trying to pin down who might be shooting out the car windows. RCMP feel that the gun being used is not a powerful one, i.e. a .22 calibre rifle. It is probably of the compressed air type.

RCMP indicate that the prime targets are cars parked by the sidewalk and not in driveways and the "epicenter" of the attacks seems to be in the Sunset Boulevard area.

WARNING TO YOUNGSTERS

RCMP issued a caution to youngsters attracted by a new school development in the Lacombe Park area.

Please turn to page 2.

Wednesday, April 30 proved to be an interesting day for police, firemen and town employees when a Dispose-All container truck overturned on Riel Drive and Sir Winston Churchill Avenue. Police were kept busy keeping curious youngsters away from the danger zone where four tow trucks were stationed to assist in putting the big truck back on 10 wheels. The accident happened at about 2:50 p.m., just in time for traffic to be held up on Sir Winston Churchill Avenue.

Container truck overturns at Churchill and Riel

St. Albert RCMP estimated \$500 damage to a Dispose-All Container truck which overturned at the intersection of Sir Winston Churchill Avenue and Riel Drive on Wednesday, April 30.

The driver, Clifford Soucy, was not injured when the fully loaded container truck overturned, spilling trash into the ditch at the west end of Lions Park. RCMP, the fire department, and four tow trucks from Grandin Towing rushed to the scene at 2:50 Wednesday afternoon

after receiving the call. Police experienced problems with traffic stoppage on Sir Winston Churchill Avenue when the road was blocked off to permit the tow trucks to expedite putting the truck back on its wheels. Traffic was not allowed to get by the scene of the accident until shortly after 4 o'clock.

A crowd of curious spectators quickly gathered at the scene, eager to see the overturned vehicle and police had difficulty in getting the area cleared. Inquisitive youngsters were shoofed from

the area where the tow trucks were working.

An RCMP representative pointed out that all the spectators added to the confusion at the scene and with the potential danger from a snapping cable or the danger of possible fire, curious spectators could have been hurt.

A quantity of gas leaked from the gas tanks of the truck and fire department personnel had to wash down the surface of the road to minimize the fire danger.

Please turn to page 2.

Water shut off

Mr. R. L. Byron informed council at the meeting on Monday night that the town's water supply would be turned off from 1 p.m. until 5 p.m. today to enable the new 24" water main to be connected into the town's distribution system.

Mr. Byron stated that he hoped that it would not be necessary to have the water turned off for the entire period of time. He said that the town staff were asking for the maximum amount of time to prepare people for any unforeseen difficulty.

The administrator told the Gazette that the time of day in which the "turn off" would take place is in the period of lowest water consumption according to the records of water use.

Mr. Byron said that the school boards had been informed that the shut-off would take place and the boards had reacted to the situation by giving students the half-day off. He stated that the hospital had also been informed and they were preparing appropriate measures to cope with the situation.

"With respect to fire protection," Mr. Byron noted, "the City of Edmonton fire department has been alerted in the event that we feel we need water (for fire protection) and they have water tankers which they

could bring in."

The town's sewer flusher vehicle will be stocked with water in case it is required and men are to be stationed at valve locations "so that in an emergency situation water can immediately be provided to the area that requires it."

The shut off of the water is necessary for interconnecting the existing main into a second main that supplies water to the "growing" areas of town. Both distribution systems are being connected into the new 24" main so in the event of a failure at the pump house, water can be injected from Edmonton's system rather than going through the pump house.

Mr. Byron stated that most of the town may find that they have water although some areas - Grandin Park - may be without water for the period of time mentioned. The areas which will be without water should experience the water supply loss for only the period of time it takes to fit the connections.

A 16" water line had been put alongside the 24" line when the construction was underway on Sunset Boulevard so that the 'digging' on the street would not be done once. The 16" line is to serve the developing areas of St. Albert.

St. Albert opposes Morinville on sewer line

The Town of St. Albert's effort to block the annexation of some 600 acres to the east and northeast of Morinville were soundly defeated at last week's meeting of the Edmonton Regional Planning Commission.

Councillor Margaret Smith, (second alternate on ERPC after Mayor Plain and Coun. Luky) moved first to refuse and then to table the annexation but was able to get little support from either motion. The MD of Sturgeon, who are giving up the land for the annexation, and the other city and rural members of the Commission were in favour of it, and the annexation will proceed.

The St. Albert position is difficult to understand and has mightily upset the Morinville Council and the Morinville (Thibault) School Board, and the MD Council.

The addition of the Quailco and Traders Group properties and resulting development will help Morinville immensely in financing a desperately needed sewer line to tie in with the St. Albert line, of which they will be paying customers. The present lagoon system is not considered adequate for the town by the Department of Environment, the MD Council or the Manawau Ditch authority.

But again the Town of St. Albert is throwing blocks. Mayor Plain has asked ERPC to do a study "on the implications of the annexation for St. Albert" and wanted it

done within a month. ERPC has said they were unable to take on such a study. The St. Albert mayor has told Morinville's Mayor Stapleton that he is concerned that the growth of Morinville will generate too much traffic through St. Albert.

But Mayor Plain is at present encouraging the firm of Abbey Glen to build a large shopping complex on the highway in St. Albert (about the size of the Meadowlark centre in the first stage only). The Abbey Glen proposal states their thinking that the St. Albert shopping centre will draw customers from Athabasca, Barrhead, Westlock, Morinville, Bon Accord, Gibbons and the MD. This is VASTLY more traffic than the Morinville annexation will generate, and it is difficult to understand the town's position.

Coun. Breadner feels the Morinville sewer line would encourage "strip development along its length." However Morinville has already provided for control of such development. Their sewer line is planned as a 12-inch pressure line for about 14,000 feet out of Morinville, and then a 30 inch gravity line to the tie-in with the St. Albert line. Morinville in their easement agreements is committed to only 12 farm hook-ups, for which the farmers will pay full cost. On the matter of strip development Councillor

Breadner might perhaps need to be more concerned about strip development between St. Albert and the Bonaventure Industrial Park.

St. Albert Investments, who own the Bellerose Park land to the northeast of St. Albert, are interested in the Morinville line, which could run through their property. But Morinville has made no commitment with the firm, although it could be to their advantage, choosing instead to co-operate with St. Albert and await their wishes on this matter.

Morinville School Board has a statement of need approved for a new school, and the town has plans also for a Seniors lodge in Morinville, both of which cannot proceed until the sewer line goes in. In fact no further building permits can be issued until the sewer line agreement is signed.

A most unfortunate aspect of the whole situation is that Morinville has proceeded with its plans on the basis of a commitment by St. Albert in writing March 20th last year. A letter of that date to the Secretary-Treasurer of the Town of Morinville and signed by the Administrator of the Town of St. Albert reads as follows: "This is to advise you that the Council of the Town of St. Albert resolved to allow the Town

Please turn to page 2.

Sewer line

Continued from page 1.

of Morinville to hook into St. Albert's sewer outfall line and that the rates for sewer charges would be those in effect from time to time within the Town of St. Albert." This letter was read to Morinville Council at their meeting on March 26, 1974.

Incredibly Mayor Plain has informed Mayor Stapleton that he has no intention of abiding by an agreement made by the former Council.

In the meantime Morinville has proceeded in good faith to the point where they must call tenders no later than June 15 on the sewer line. This requires that an agreement be completed with St. Albert by June 1. Such an agreement must indicate the costs, which are to be set on the basis of a report commissioned by the Town of St. Albert to Stanley Associates Engineering firm. Yet Mayor Plain has forbidden the release of the report to the Town of Morinville solicitors.

Morinville has already spent \$20,000 with Associate Engineering for an engineering cost study, and has provided St. Albert with a copy of their report. Right-of-ways for the Morinville line have been arranged with the co-operation of the property owners and the MD.

St. Albert on the other hand, needs the co-operation of both Morinville and MD Sturgeon in so many areas: the regional recreation/cultural complex; regional water, transportation and traffic control, industrial development. That is why it is difficult to understand the positions being taken by St. Albert council in opposing the Morinville annexation and the sewer outfall hook-up. Co-operation MUST be a two-way street.

A joint meeting has been arranged between the Morinville Council and School Board and St. Albert Council, for next Monday night. It is only to be hoped that the St. Albert Mayor and Council will come to that meeting - not with a hardened position they hope to use as lever against the surrounding municipalities, who are already suspicious, but in a spirit of working together for the best interests of all. The needs of people should come ahead of municipal power struggles.

Substitute Teachers

ST. ALBERT SCHOOL DISTRICT NO. 3

Required immediately - substitute teachers for various junior high grade levels. Must possess a valid Alberta Teaching Certificate. PHONE: 459-7711, or write to - 6 St. Vital Avenue, St. Albert, Alberta.

DEPARTMENT OF PARKS AND RECREATION

JOINT USE AGREEMENT

Application forms for the use of facilities under the terms of the Joint Use Agreement are available at the Department of Recreation in the Town Hall.

They should be completed by officials of organizations wishing to apply for accommodation for fall and winter programs and returned as soon as possible.

TOWN OF ST. ALBERT

requires a

SWITCHBOARD OPERATOR

The Town of St. Albert requires a person to handle the Town's switchboard from Monday through Friday, 8:30 a.m. to 5 p.m. The successful applicant must have a clear voice, typing experience, and be willing to start work not later than Friday, May 9, 1975. The salary range for this position is \$455.00 - \$581.00 per month. This competition will close at 12:00 noon on Thursday, May 8, 1975. Applications should be brought or delivered to:

DIRECTOR OF PERSONNEL
TOWN HALL
CHURCHILL AND GRANDIN
ST. ALBERT, ALBERTA. T8N 0G2

Truck

Continued from page 1.

In explanation for the accident, RCMP suspect that the truck was carrying an overweight load which shifted when the driver negotiated the turn from Riel Drive. The truck was removing the container from the old nuisance grounds.

Police report

Continued from page 1.

Apparently youngsters are going into the building after construction hours and this has the contractor worried. Conditions inside the building are hazardous because of scaffolding there. While youngsters might feel there is a challenge on the school building site, RCMP are taking the opportunity to remind the kids that they might get hurt. They should stay away from the development altogether.

ST. ALBERT DETACHMENT GROWTH

Present strength of the St. Albert RCMP Detachment is at 28 officers. Seventeen are on full time duty in the town, the Highway Patrol is stable at eight members with three on the rural beat. An expansion of the municipal section approved April 1 will see that department expand to 21 full time officers in the near future. Staff Sergeant Al Dirk feels that more expansion of the St. Albert force is due particularly in the rural force to match more industrial growth in the area. Staff Sergeant Dirk feels that the same is also true for the force in St. Albert if the town maintains its present growth rate. Employed civilians at the St. Albert detachment are three stenographers and four desk clerks.

YOUNG BOY HIT BY CAR

A nine year old St. Albert boy, Timothy Murphy is making a good recovery after being hit by a car April 30 while alighting from a school bus.

RCMP describe the accident as being 'unfortunate.' The accident occurred at the intersection between Hebert Road and Amber Crescent when Timothy was leaving the school bus at about 3 p.m. A passing car driven by Arthur Robson, 27, of St. Albert hit the youngster who sustained injuries to the ribs, also abrasions and bruises to the rest of the body.

One of the boy's lungs was slightly punctured in the incident and he was taken to the Sturgeon General Hospital for treatment. He was then moved to the Edmonton General Hospital for further treatment and May 5 was back in the Sturgeon General. The boy's mother, Cathy Murphy of St. Albert said Tuesday that Timothy was a lot better, moving about and already talking about getting back to school. N-charges have been laid following the incident.

Council will purchase ten transit buses

The \$130,000 per year Provincial grants to be paid annually for six years for the purpose of upgrading the public transportation system in St. Albert will be partially put to use for purchasing buses. Council decided Monday to order 10 transit buses, extend the contract for two years with the City of Edmonton, purchase four ETS buses with the proviso that they will be replaced when the others are delivered. An improved bus service planned for implementation September 1, 1975 is subject to the condition that the second and third recommendations are proceeded with.

Coun. Thronsdon moved the recommendations. As information it was pointed out that the reason why the

contract with the City of Edmonton was for two years and not five was because a five year contract would be too long for "being locked into an agreement." Ten transit buses on order would not necessarily indicate that the town would purchase the full number, although it may reach the point where all will be required. The administrator noted that if only six buses were ordered it would be difficult to add more service if needed.

The first three motions carried 7 to 0. It was indicated that the buses of the St. Albert Transit System will be provided with a characteristic paint job once they are in the possession of the town. It was hinted that the colour could be green for

the St. Albert Transit System.

Coun. Breadner noted that the final recommendation required some additional background before proceeding with increases in service in 1975. He moved that the matter be referred to the Administrative committee for their consideration and the motion carried 4 to 0. Coun. Thronsdon, Wetsch, and Fyfe voted against.

The financial impact of increased service in 1975 (from September 1 to December 31) would be roughly \$7,500, or if buses are purchased from the City of Edmonton, it would cost \$5,760. The additional cost of the increased service is estimated for 1975 to be \$1,740.

Wasn't that nice?

By Clara Morin

We were ever thrilled! Forty people came to our Senior's Recreation Centre on May 1. Nice people, they had left Lacombe at 8:30 a.m., dined in Edmonton, then came to St. Albert where Mrs. Atkinson lived for many years and where she still has many friends. She was the one who had organized this tour.

They had lunch at 3:30 with us, then left after leaving us an invitation to visit Lacombe. I hope we are just as generous as they were. They left many a tip on the tables for the Centre and also bought many tickets on the comforter the WI were having raffled.

Next Thursday at 1:30 you

are welcome to come and play bridge at the Centre and taste some of Mrs. Therese Laplante's yummy cookies before you leave. Rumors are that the membership cards are being processed. Keep your fingers crossed we may have them soon.

KINETTES DONATE TABLES

We must not forget the Kinettes. They had the generosity to bring us four tea tables with stand. The ladies that came to the Centre to make the presentation were Mrs. Beryl Shoultz, president and Mrs. Linda Higginson, director.

Thank you again ladies, and come and see us again.

MAYOR'S PROCLAMATION

TOWN OF ST. ALBERT

FOR

NATIONAL WEEK FOR THE MENTALLY RETARDED

MAY 11 TO MAY 17, 1975

WHEREAS Mental Retardation is one of the most prevalent handicaps of children and adults;

AND WHEREAS it is now known that with proper training and the opportunity to develop their skills, mentally retarded persons can come a long way towards independent living;

AND WHEREAS this community can only benefit, both socially and economically, from the training and education of mentally retarded persons;

AND WHEREAS the Gateway Association for the Mentally Handicapped is a voluntary association of citizens working together in a supportive role to assure the rights of mentally retarded persons;

AND WHEREAS at this time the Alberta Association for the Mentally Retarded is seeking public understanding and support for its programs on behalf of the mentally retarded persons in our community;

NOW THEREFORE I, Dr. Richard H. M. Plain, Mayor of the Town of St. Albert, do hereby proclaim the period of time from May 11 to May 17, (inclusive) 1975, as National Week for the Mentally Retarded, and urge every member of this community to give thoughtful support and understanding to programs which will strengthen and enrich the lives of mentally retarded persons.

IN WITNESS WHEREOF I have hereunto set my hand and caused the seal of the Town of St. Albert to be affixed this 5th day of May, A.D. 1975.

R. H. M. PLAIN,
MAYOR.

Local couple married in United Church

The Reverend Len Musto conducted the wedding service uniting Darlene Rawluk, only daughter of Mr. and Mrs. James Rawluk of St. Albert, and Donald Wesley Clark, eldest son of Mr. and Mrs. William Clark of Calgary, (formerly of St. Albert). The double-ring service was held Sunday, May 3 in St. Albert United Church at three o'clock.

The bride was lovely in a demurely-styled long gown of white peau de soie, featuring an empire waistline and dainty bodice trimmed with lace. A Juliette cap held her chapel veil, fashioned of net, and she carried a bouquet of yellow and white roses.

She was attended by Fran Munro of Edmonton and Marian Lietke of Kamloops. The bridesmaids wore gowns identical in long gowns of printed fortel with spla-

shes of large yellow and orange flowers on a white background. They each carried a single long-stemmed yellow rose.

The groom was attended by his brother Bill Clark and Duff Jamison, all attired in grey tuxedos. Dale Clark, brother of the groom and Bill Rawluk, only brother of the bride, ushered the wedding guests.

A receiving line welcomed the guests to a reception at 5:30 in St. Albert Community Hall and a banquet was served for 130 guests at 6:30, commencing with the blessing said by Father Paul Fachel. A beautifully decorated three-tiered wedding cake centred the head table, flanked with arrangements of large and small white and yellow mums.

Master of ceremonies Jerry Lietke introduced the head table which included the

wedding party, Mr. and Mrs. Clark and Mr. and Mrs. Rawluk and Father Fachel. Jerry's sense of humour and amusing anecdotes added greatly to the success of the banquet. He later called upon Bill Clark for a toast to the bridesmaids and Duff Jamison, who proposed a toast to the bride.

Special guests were Don's grandparents, Mr. and Mrs. Ken Donohue of Biggar, Saskatchewan and Darlene's grandfather Mr. Nick Rawluk of Rocky Mountain House. Out of town guests included Darlene's Aunt Joan from Leduc and her great Aunt Karen, Mrs. McInnis and Mr. McInnis from Longview, Dr. and Mrs. Sinclair of Winnipeg, Mr. and Mrs. Earl Fraser of Saskatoon, Mr. and Mrs. Mossman and Mr. and Mrs. George King from Victoria, Mr. and Mrs.

B. Kessler of Calgary, Mr. and Mrs. N. Ziegler of Hilda, Alberta, Mr. and Mrs. John Rawluk of Edmonton and Mr. and Mrs. Alex Plathan of Okotoks, Alberta. Also attending were a number of friends from both Smiley, Saskatchewan and Rochfort Bridge, Alberta, Mr. and Mrs. Frank Clark of St. Albert and Gary Donahue of Biggar, Saskatchewan.

Dancing continued to two hours to the lively music of the Ernie Towne band. Before leaving the bride tossed her garter to a large group of young bachelors and Mel Knutson will be the next to be married according to that superstition, but the girl in blue who caught the bouquet thrown by the groom was unidentified.

A rehearsal party was held the evening of May 2 and a

gift opening and open house was held Sunday at the Rawluk's home on Grandora Crescent. Following a vacation to British Columbia and

the southern United States, the couple will make their home in Edmonton, where Don will complete his university program.

MR. & MRS. DONALD CLARK

Be a blood donor - the gift of life

There is again urgent need for strong support of the Red Cross Blood Donor Clinic being sponsored by the St. Albert Kinsmen next Tuesday evening in the Community Hall.

In an effort to encourage donors the Kinsmen each year put up a Challenge Trophy which goes to the club or organization making the highest number of donations. Chairman Kin Roger Lemieux therefore asks that

club members indicate when they go to the clinic which organization they represent. Last year's winner was the St. Albert Council, Knights of Columbus.

The Clinic will be held in the Community Hall from 6 until 9 p.m. Donors should allow 30 minutes of their time, although it takes only four - five minutes to donate a pint of blood. Each donor will be tested, registered, rested and given some refreshment. The majority of people between the ages of 18 and 65 can give blood and 17 year olds can donate if they have written consent from their parents. Male donors can donate every three months and females every four months.

Whenever you, or a member of your family need blood or blood products you will receive them free of charge through this Red Cross service. Your donation of blood may be the gift of life!

Week focuses on the retarded

The week of May 11 - 17 is Mental Retardation Week, when it is hoped the attention of the general public will be focused on the special needs and problems of families affected by retardation, which can be a most frustrating situation on top of the heartbreak.

The Alberta Association for Mental Retardation is sponsoring the Special Games this week, which will involve hundreds of mentally handicapped youngsters in this very special project. The Gateway Association for the mentally handicapped will be participating in these games.

Gateway is hopeful that during this week some progress is being made which will capture the attention and interest of the general public.

The Association has a

nine-point plan which highlights some of the critical areas where a great deal more progress is required. The three areas they feel need immediate attention are residences - crisis centres and mandatory education to ensure educational opportunities for all handicapped children, including early childhood programs. The latter are tremendously important to give children the maximum help possible in finding a place in society.

Gateway has presented briefs to the Alberta Government covering these three major needs and are anxiously awaiting action on their proposals.

The Edmonton Separate School Board has this week voted in favour of establishing a program for retarded children.

Gateway was formed in the fall of 1974 by a group of parents and interested persons who could see the critical need for bold steps to solve the problems of the mentally handicapped in these main areas. In six months their membership has grown to over one hundred, and they feel they have merely uncovered the tip of the iceberg in seeking out parents and others interested in the opportunities for the retarded.

The telephone rang in the maternity ward and a very excited voice came through. "This is Mr. Smith and I'm bringing my wife in - she's about to have a baby!"

"Calm down," the attendant said. "Tell me, is this her first baby?"

"No," was the reply. "This is her husband."

The St. Albert Help Society held a meeting on April 29 at the home of Mrs. Jwaszko, president. Those attending had an enjoyable and informative evening.

Mr. Brian Minielly, youth

representative on the St. Albert Social Service Board, his wife, a supervisor, three homemakers and nine members of the board of the Help Society were in attendance. Discussion ensued on various

NICE SHOOTING M'BOY...

Help Society meets

topics including lay counselling and preventative social service.

Mr. Minielly noted that there was a program offered at the Alberta Vocational Centre and suggested that it

be examined closely. Homemakers could attend the course on a rotating basis.

Also discussed was how the role of the housewife as a homemaker has been downgraded. The role requires a

great deal of expertise and it was noted that not all women are suited for the role.

Thanks were given to Brian Minielly and his wife for attending the meeting and the Help Society felt that

Brian was informative and his material and comments were in line with their position.

Following the meeting there was a hearty luncheon served.

COMMENT

Shopping center site selected without adequate information - developer

I would like to reflect on a few points of consideration regarding the process by which the developer was recently chosen to further negotiate rezoning a regional shopping centre in St. Albert.

The initial "negotiation" was made as a result of a letter from the Town of St. Albert informing us that further consideration would be given to only two of the shopping centre proposals, one of which was our submission.

In that letter the developer was required to provide additional information as outlined, part of which concerns clarification of information previously provided, and the balance of which requests specific additional information. It was our understanding that a decision on a shopping centre site would not be entertained until each developer had fully complied with the requirements of the Town as specifically indicated in that letter.

One of the categories that required further information on the part of both developers was that of traffic planning both on and off the site, and particularly the traffic impact to the St. Albert Trail.

Following submission of a traffic study conducted by Shelter Resource Limited, the only remaining point of consideration was regarding an enquiry by Mr. Wayne Gordon, town planner, questioning the accessibility to the existing Jasper Auto Parts site. Following discussions with our traffic consultant, the Provincial Highways Department categorically stated that a service road must be provided parallel to the St. Albert Trail and conforming to the configuration of the proposed Edmonton Ring Road. It is our opinion that the Provincial Highways has adequately responded to Mr. Gordon's inquiry. There has been no correspondence suggesting otherwise.

At a later date, we understand that there was an inference that Shelter Resource Limited required more traffic input. To this date, we have not received official notice that more traffic information is required. As a result, we find it somewhat difficult to comply with instructions that we have not yet received. Moreover, our initial traffic report was presented on April 21, 1975 (a deadline set by the town) and

in the interest of ensuring that all concerned had received the latest information requested, a summary of all of our information was presented to each of the councillors on April 25, 1975.

In the instance of the Abbey Glen Property Corporation submission, we understand that they were similarly not requested for additional information concerning traffic studies. This would imply that either there was no deadline for submission of information, hence, a decision would not be forthcoming in the very near future, or that Abbey Glen had in fact provided all of the information that would be required of them. The former supposition is obviously not the case as a de facto decision was made in the council meeting of April 28, 1975. The latter conclusion cannot possibly be valid as it is quite obvious that the traffic impact studies are far from complete with respect to the Abbey Glen site.

Specifically, no information has been provided to the Town by Abbey Glen concerning the interaction of the new St. Albert recreation centre and the Abbey Glen shopping centre, or the super-imposing of traffic from both of these developments.

It is our strongly expressed opinion that information of that nature is fundamental in the decision as to whether the Abbey Glen site was acceptable or not.

We are of the further opinion that the selection of the shopping centre site without adequate information will undoubtedly lead to the rationalization of whatever problems do occur. This is undoubtedly not in the best interests of the Town of St. Albert, the recreation centre, or indeed even the Abbey Glen shopping centre. As a matter of functional planning, operational planning, and indeed ethical consideration, it is our opinion the undertaking of a traffic impact study around the recreation centre by the town is wrong. In essence we do not believe that the town (recreation centre) should be responsible for providing a traffic study for Abbey Glen which super-imposes traffic volume from the Abbey Glen shopping centre.

Therefore, we find that the town has been naive to the problem of traffic congestion as related to its own projects, and on the other hand super-critical when it is related to a developer's project.

Furthermore, the request for information and the period for digestion and review of this information by the town was much too short. This was evidenced by the town's lack of understanding of the information presented, the subsequent inability to ask for further information, and finally the outright ignoring of the fact that the information concerning traffic flow around the Abbey Glen site was not adequate.

If, in fact the town administration had made up their minds regarding this site beforehand, then they were not sincere in their initial request for information about other sites, and specifically that of Heritage Shopping Mall. Secondly, they are not adhering to fundamental principles of decision making with relation to multiple sites and information under analysis. If in fact the "Politician" was anxious for an expeditious solution, then we feel that this should be done with open diligence rather than a cloud of deception. Therefore, Shelter Resource Limited refuses to be considered as a secondary back up to the first selected shopping centre site.

We do not feel that we should be used as "a second proposal which might be under consideration as a back-up to the Abbey Glen Proposal." The inference, of course, is to use the Heritage Mall as a "lever" against Abbey Glen during negotiation with that firm.

In the event that negotiations totally break down with Abbey Glen, we might then be prepared to consider starting negotiations afresh. As stated, we reserve our decision on that eventuality in light of doubtful good faith action up to this time.

Given a reversal of roles, we believe that Abbey Glen Property Corporation would fully concur with our opinion.

SHELTER RESOURCE LIMITED,
G. K. LECKIE, DIRECTOR.

Alberta's great forest reserves celebrated

This week is National Forest Week. "Trees . . . The Green Link," is the theme for the

week promoted annually by the Canadian Forestry Association through its provincial members across Canada.

Arden Ritz, president of the Alberta Forestry Association indicated the week is celebrated to help develop an appreciation by Canadians for the vast forest resources which covers so much of Canada.

In Alberta close to 60 per cent of the province's 255,000 square miles is covered by forests.

Fred McDougall, director of Forestry for Alberta Energy and Natural Resources praised the efforts of the Association to help Albertans appreciate and understand the tremendous and yet to be developed potential of Alberta's forests.

Presently about 220 million cubic feet of timber or 80,000 acres is being harvested annually in the province. Alberta could harvest twice this amount and still have plenty of reserves for the future.

But this is only part of the picture. Apparently the province has hardly begun to touch the vast aspen - poplar potential of Alberta from which 487 million cubic feet of timber could be harvested annually.

GREATER DANGER OF FOREST FIRES

GREATER DANGER OF FOREST FIRES

Conditions in Alberta's forests appear drier than normal and offer increased potential for forest fires this year.

A spokesman for the forestry department said last year's dry fall, combined with light snow throughout the winter has created potentially hazardous conditions unless there is more moisture between now and the end of May when trees and shrubs leaf and grasses appear.

Last year spring arrived later than usual. In mid-June a spring lightning storm passed over the northern part of the province leaving over 50 fires burning and resulted in the largest fire of the season which eventually burned over 23,000 acres. This fire alone accounted for over half the 44,459 acres burned in the province and consumed \$1.4 million in merchantable timber. It cost more than \$650,000 to put out. Last year there were 598 fires. In 1973, 478 fires destroyed just over 26,400 acres.

FOREST FIRE CONTROL ZONES ESTABLISHED

Forest fire control zones have been established throughout the province. The Forestry department has indicated that the forested area of the province has been divided into 21 zones so that these areas can be closed if extreme fire hazards develop during the fire fighting season.

The new zones will help the public to identify the actual area being closed and help the Alberta Forest Service to administer the closure.

Advertisements will appear throughout the province announcing closures when they occur.

to the Editor Pays taxes but no boulevard

I am presently residing on property located at 39 St. Vital Avenue, St. Albert, which I purchased in August 1972.

In the spring of 1973 I contacted the Town of St. Albert regarding the non-completion of our boulevards. At this time I was informed that the responsibility of finishing the boulevards rested with the developer, who in this case apparently could not be located. To rectify a seem-

ingly simple problem, I located the developer, after two phone calls and about five minutes of my time. After further stalls by the town, I was advised that the unfortunate developer could not finish our boulevards for lack of funds. The town also advised that they could not take a step in and provide us with a boulevard in view of a contract they had with the developer. I was advised that the town held a bond to secure performance by the developer, which did not expire until June 1974. Requests that the town solicitor attempt to reach a solution with the developer went unanswered and ignored. What else can I say about 1973?

Well, I was busy landscaping and improving my property. The money and labour to beautify my property was certainly set off by a boulevard consisting of potholes, large chunks of concrete, and a massive growth of weeds including quack grass. The town made no short appearance to spray the weeds which had already caused problems by spreading to my new lawn and that of the neighbours.

My property is reassessed to include my improvements and, of course, my taxes are paid on time.

In 1974 I again made numerous calls to the Town of St. Albert about my boulevard. Many people approached at Town Hall were sympathetic to me over my problem however that is where the action stopped. Anticipating a boulevard since the town was obviously in a position to make a claim on the developer's bond and should the work be done, I was completely astonished to learn that the Town of St. Albert granted

the developer in question a further year's extension before making claim on his bond. A petition signed by the residents of St. Vital Avenue affected by the boulevard problem was not accepted by the Town. In 1974 I continued to improve my property and satisfy the town's increasing tax demands.

Well, so much for history. It's now Spring 1975. Yes, the boulevards are still unfinished and the warm weather will soon have this year's crop of weeds emerging through the concrete and gravel. Recent enquiries with the town have been met with further excuses and stalls.

Before I close, here are some interesting situations to consider. If a property owner may be fined for allowing weeds to grow unchecked on my property, but of course the town is exempt from any such problems. The purchase price of my home included a finished boulevard; the builder has substantiated this fact. My property taxes, which have been paid to date, are based on property improvements including a completed boulevard. However, I have received no reimbursement to date. Would the town take the same passive approach should I withhold a portion of my taxes? My lawyer has already provided me with intended actions should one of my children or any other child in the neighbourhood sustain injury from the large chunks of cement laying exposed in the boulevards.

What I have been trying to say is that I sincerely feel I deserve a finished boulevard and that I should have been provided with one before now.

If any of the other eight property owners affected by the town's policy on this matter, were to express their views in this letter, I am certain that the contents would be re-phrased to express our true feelings. These feelings are reflected when people ask us how we enjoy living in St. Albert, or what kind of co-operation we are getting we receive from the Mayor and Town Council.

R. M. Graham.

Theatre needed

I am sure that the Town "Fathers - and Mothers" know that in order for an individual to become a complete person, he must have facilities for cultural as well as athletic development. In spite of this, council cut the theatre from the proposed plans for our new complex, leaving a sports' centre, with a small area for arts and crafts. To elective members who suggest that the arena be used for cultural activities, I say that their knowledge of the performing arts is limited indeed.

I believe that sport facilities are very important for the well-being of our citizens, but the fact remains that in order for our community to have a balanced society, we also need cultural facilities. Our town needs a conventional theatre, and the need for that theatre is, now, "Come on St. Albert! Let's go."

Louise Stanley,
Grandin Park.

There's nothing wrong with the younger generation that becoming taxpayers won't cure.

THE 1975 BUDGET

On Monday, April 28 the council approved the 1975 budget recommendations made by the administrative committee. Highlight of the budget are as follows:

REVENUE - TAX INCREASES

The average St. Albert homeowner who is a ratepayer of District #6 will experience an increase in total taxes of \$91.52 (1975 vis a vis 1974). An increase of \$83.28 will be experienced by property owners affiliated with District #3. In percentage terms this amounts to increases of 18.4 and 16.3% respectively.

Visit our truck stand every Tuesday, Wednesday, Thursday and Saturday at 125 AVENUE AND ST. ALBERT TRAIL for a variety of fish; Arctic Char, Lake Trout, Pickerel, Inconnu, Eastern Bass and Whitefish.

The longstanding problems with the municipal assistance grant formula administered by the Department of Municipal Affairs have not been resolved by the Government of Alberta.

The net result of this state of affairs is that residents of St. Albert are not receiving equitable treatment from the Provincial Government in terms of the level of unconditional grant money which is placed at their disposal. It is estimated that if the municipal assistance grant formula had been constructed in an economically equitable manner, that approximately \$311,154 in additional funds would have been granted to St. Albert in 1975. This means that the increases in total taxes paid by the average homeowner would have amounted to \$43.20 rather than \$91.52 (District #6) and \$35.28 rather than \$83.28 (District #3). This would have amounted to an increase of only approximately 8.7% and 6.9% respectively.

MILL RATE COMPARISONS

The following table sets out the appropriate residential mill rates for 1974 and 1975.

	1974	1975
MUNICIPAL	39.2	52.69
HOSPITALS	0.8	
LIBRARY		1.99 ⁽¹⁾
EDUCATION:		
(1) PROV. GOV'T.		18.96 ⁽²⁾
(2) S.D. #6	22.2	
(3) S.D. #3	23.9	19.63
TOTAL	62.2	63.9
		73.64 74.31

(1) In 1974 the library rate was lumped in the municipal rate.

(2) The reduction in the school rates resulted from supplementary assistance provided by the Provincial Government to both school boards.

Reference to Table 1 indicates that the municipal mill rate, inclusive of the library levy has increased from 39.2 to 54.68 mills - an increase of 15.48 mills - while the school board levies have decreased by 3.24 and 4.27 mills for District 6 and 3 respectively.

RESERVES SPENT BY PREVIOUS COUNCIL

The reason for the increases in the municipal mill rate can be ascertained by referring to the various expenditure programs set out in the 1975 budget. However it should be noted that the substantial increase indicated for '75 over '74 is partially illusory. The rationale for this statement stems from the fact that the previous council struck a budget for 1974 which was based on the utilization of the town's reserves, which had been accumulated over the previous years. In effect approximately \$388,000 of the town's reserves were expended during 1975. (This amounted to approximately nine mills in that year). Clearly if the town's reserves had been left intact in 1974 the municipal mill rate would have been in the neighbourhood of 48.2.

It is evident that the depletion of the reserves and the illusory relative moderation of the mill rate increase is a short-run, one shot solution to the basic long-run economic problem facing municipal governments - namely the escalation in the costs of providing a wide range of high quality municipal services to a rapidly increasing number of residents.

The total taxes levied this year accurately reflect the costs of providing services to the residents. There are no illusions contained in this budget. An extremely severe pruning job has been done on the original budget requests made to the council.

In closing it should be noted that the cost - push elements of the present inflation are escalating the costs of the labour, materials and other supplies required to maintain existing programs. The increase in population, the demand for new services and programs, and the "catchup" position the town is in with respect to expanding the supply of basic facilities will continue to create pressures on costs.

It is apparent when all is said and done that St. Albert, along with other municipal governments will have to continue to adjust its property taxes and exert increased pressure on the provincial government for a more equitable sharing of the general tax revenues.

Copies of the budget will be placed in the library for perusal by residents who desire to obtain details of various expenditure programs. I shall outline further aspects of the '75 budget in future columns.

Joint meeting seeks public input on planning, growth

The Edmonton Regional Planning Commission and the Planning Department of St. Albert have scheduled a combined meeting for May 14, geared for earnest public input regarding planning and growth in the Edmonton

region as well as in the St. Albert planning area. The meeting will be held at Sir George Simpson School at 7:30.

A preliminary meeting took place on April 24 with 21 invited persons in atten-

dance, and several possible areas of concern were noted which could come up at the May 14 meeting with the public. The meeting expressed the need to provide viable alternatives to the general public regarding

growth in the Edmonton region as well as alternative growth trends in the St. Albert area.

The Edmonton Region Growth Studies (through the auspices of the ERPC) is seeking an overall growth

policy (in the broadest sense of the term growth) for the Edmonton metropolitan area. The St. Albert general plan is seeking to develop an overall growth policy for the St. Albert planning area. At the May 14th meeting, the general public will have the opportunity to examine growth issues and alternatives and provide input as to which alternative would be the most desirable direction for growth to be.

Mr. Eric Conley, research planning officer in St. Albert, told the Gazette that the General Plan will attempt to delineate the "end goal" for the town's development. The plan will retain flexibility and reflect the changing objectives and expectations of the residents.

"In my estimation," Mr. Conley said, "the existing legislation under the Alberta Planning Act (regarding general plan preparation) is adequate but it tends to emphasize the land use aspects of planning rather than the social or economic aspects." He reported that the general plan that the town is preparing will have an equal emphasis on the social implications and economic considerations.

Mr. Conley noted that a general plan implies "master plan" but in terms of St. Albert's general plan, an open-ended concept is being followed. The time frame for the preparation of the plan is two years, completion slated for the fall or winter of 1976, with the "planning strategy"

ready for implementation at the completion of this period. Mr. Conley feels that following implementation of the strategy, a constant monitoring of the process will be taking place. The monitoring function will involve further public input.

Mr. Conley states that the public participation aspect of the general plan program is of paramount importance. He feels that it is important to get interested people to communicate their goals and objectives to the general plan team and to indicate priorities for consideration.

Local people attending the April 24th meeting included 10 representing the town: Mayor Richard Plain, Councillor Margaret Smith, Bernie March and Renee Laird of the Recreation Department, Charles Gale and Brian Minielly of the Social Services Board, Eric Conley and Wayne Gordon of the planning department, Town engineer John Maandag, and Mavis Smith. Representing District #3 were Trustees Steve Sieben and Sylvia Walsh and Superintendent W. G. Zieliński. Councillor Dave Thomas represented School District #6. President Garry Hodgins represented the Chamber of Commerce and Alex Mirlin the Gazette. Ian Geddes (of Maxwell-Geddes Properties) attended as an interested resident. Arlene Pardee of the General Plan Advisory Committee, and Brian Staszewski, Sam Walz and Barry Clark represented E.R.P.C.

Costs Figure in Growth Alternatives - Planning workshop

A fact of life that there is a cost for everything will have to be kept in mind when citizens of St. Albert discuss planning and growth at the joint meeting with the Edmonton Regional Growth Studies and the General Plan team on May 14.

Brian Staszewski of the ERPC states that he feels people should be made aware of the "price tag" attached to growth or no-growth, their expectations

for the lifestyle of the community, and decisions regarding services that could be desired.

Eric Conley, research planning officer in St. Albert, is in full agreement with Mr. Staszewski on this matter. "Apart from asking the public how they want to grow," Mr. Conley reports, "we are going to ask them if they want to grow."

This particular point is felt to be a key point to be put to

the general public at the May 14 meeting at Sir George Simpson School. Trade-offs would have to be made if either decision is taken, the most obvious trade off of a growth supporting stand would be the loss of traditional community identity. A gain from a growth supporting stand would be impetus for increased levels of services and facilities.

It is surmised that if a community with a good potential for growth, like St. Albert, proceeds on a residential growth pattern, government grants would be heavily relied upon for the upgrading of services. Another source of support for the upgrading of services would be from the property owners' pockets.

The public will be asked to think about how St. Albert can gain by taking either a no growth or a growth stand. Public input regarding the level, the mixture, the rate, the style, and the scope of development will be sought at the May 14 meeting in

hopes that a consensus plus a list of priorities can be examined by the General Plan team and the ERGS.

Mr. Conley stressed that no decisions are being made at the meeting and the intention of the General Plan team is to view the meeting as an initial opportunity to field the expectations of the citizens of the community. The General Plan work will be taking place over the next two years and the public will be monitored, making the plan an indicator of the expectations for the development of the town. The plan will likely be completed in late fall of 1976.

The issues to be discussed at the meeting include: future growth, how much - how fast?, annexations, transportation, recreation - space and facilities, community facilities, education facilities, town centre redevelopment, municipal tax base, commercial development, housing costs, land prices and community identity.

IMPORTANT NOTICE

YOUR opportunity to have a SAY in the alternatives for future growth and development of ST. ALBERT ...

The TOWN OF ST. ALBERT and the EDMONTON REGIONAL PLANNING COMMISSION [E.R.P.C.] are co-sponsoring a Planning Workshop for the community at SIR GEORGE SIMPSON SCHOOL

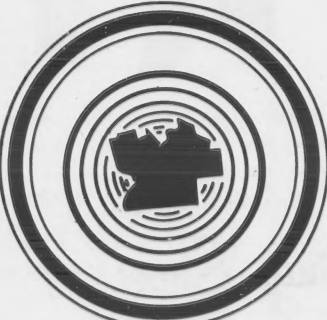

ON
WEDNESDAY, MAY 14th, 1975
AT
7:30 P.M.

The Issues at Stake

- Rate of Growth - future annexation
- Transportation
- Housing Costs
- Recreation
- Social Services
- Conservation of Community Identity
- Municipal Tax Base
- Education Facilities
- Industrial Location
- Your concerns and quality of life.
- Town Centre

WHY?

The Town is preparing a General Plan that will examine future community growth and development alternatives and their implications. The E.R.P.C. is preparing a similar Study, but at a Regional level. Before the Town and the E.R.P.C. can respond to these issues and problems they need to know your concerns, your ideas and your preferences.

FOR FURTHER INFORMATION CALL:

TOWN OF ST. ALBERT PLANNING DEPARTMENT

[TOWN HALL] -- 459-6601

OR

THE EDMONTON REGIONAL PLANNING COMMISSION -- 429-6821

Previews

1. Capital Cable [Channel 11] will be showing a program about the St. Albert General Plan and the Edmonton Regional Planning Commission

ON
THURSDAY, MAY 8, 1975
AT
7:30 P.M.

2. A display of information on the Edmonton Region and St. Albert will be presented in the St. Albert Public Library during the week prior to the Planning Workshop on May 14th.

QUALITY OF LIFE

FUTURE GROWTH?

ST. ALBERT & STURGEON GAZETTE, WEDNESDAY, MAY 7, 1975 - 7

ALTERNATIVES

CONCERNS

Building starts well down for quarter

Building starts are significantly down from the high level set a year ago for the first three months of the year. The town building inspector's report indicates that from January to March of 1975 there have been only 34 single family dwelling permits issued while during the same period one year ago there had already been 225 issued.

A breakdown of construction in St. Albert to date shows there have been 34 permits issued for single family dwellings; 60 improvements (compared to 27 in 1974); 10 garages (four in 1974); one carport (none in 1974); no condominiums (21 in 1974) and two single family dwelling extensions (one in 1975).

199 PLUS LOTS AVAILABLE

Available lots to date are: Forest Lawn - 18 serviced, Lacombe Park - 268 serviced, Braeside - 126 serviced, Grandin Park - 14 serviced, Akinsdale - 62 serviced, Lacombe Park BACM Stage 8 - 302 lots (subdivision applied for, being serviced), Braeside Carma 2 - 68 lots subdivision applied for, Br-

aceside Alcan 5 - 41 lots, Akinsdale Qualico Stages 3 and 3A - subdivision applied for.

23 FIRE CALLS THIS YEAR

The fire department reports eight calls during March and a total of 23 in the first three months of the year in the Town of St. Albert. They received two calls to the MD of Sturgeon, bringing the total calls to the MD in 1975 to four. The breakdown of the March calls in St. Albert shows three building fires (seven to date), no auto fires (two to date), four others (nine to date), no false alarms (one to date), and one emergency call (four to date). The estimated fire loss in March was \$4,000 and the total to date is \$14,500.

The department had four lectures during the month of March and 11 to date in 1975. The volunteer strength at the end of March was 13.

POLICE REPORT

The police department reports 28 motor vehicle accidents during the month of March and 90 to date. There were three impaired

charges, making 11 to date. Highway traffic Act charges totalled 53 in March with the to date figure 98. There were seven parking violations in March, 11 to date. Three motor vehicle thefts in March brought the total for the year to six. Thefts totalled 31 in March bringing the total for the first three months of 1975 to 52. Breaking and entering incidents in March totalled five with the total for thus far

in 1975 reaching 19.

There were five incidents of impaired driving in the month of March which brings the total for the first three months of this year to 11. Acts of wilful damage reached 26 for the year with the nine complaints received during March.

Persons charged under the Narcotic Control Act to date in 1975 total one, while liquor control act charges total 19 -

three incidents in March.

The total complaints received in the month of March number 260 with the figure for the year at 687.

ANIMAL CONTROL

The animal control officer travelled 1,000 miles in March of 1975 with the total for the year being 3,605. Twenty-three dogs were picked up and the total to date

is up to 70. Three cats were impounded and the total for the year is now 11. Twenty animals were returned to owners (to date 49) and 21 were destroyed (to date 44). 103 licenses were issued during the month of March bringing the number to date to 396. License fees totalled \$820 (to date \$3,693); tickets issued totalled \$220 (to date \$890), and impounding fees were \$60 (to date \$190).

Council reviews in camera policy

Coun. Margaret Smith introduced some material regarding in camera sessions and the procedure to be followed when dealing with request for such private meetings, at the council meeting on Monday night.

Coun. Smith's suggestions would call for those requesting in camera meetings with council to submit the specific reasons for the request in writing to the chairman of

the meeting. She explained that the reasons could then be given to those in attendance as justification for requesting that the chambers be cleared.

Coun. Smith also suggested that in camera items should be dealt with either before a meeting opens to the public, or following the coverage of agenda items so that the public can hear all that is included on the agenda. She also suggested that motions

arising from any in camera session be referred to a subsequent council meeting for open debate except if at least 2/3 of the council votes in favour of proceeding with open debate following the in camera portion.

Coun. Wetsch thought there could be incidents where an in camera session would arise during a meeting and therefore the advanced "in writing" reasons could not be submitted. He noted that he agreed with the intent of a request for written reasons for an in camera session.

Coun. Lukay noted that the policy currently followed was that in camera sessions were only held when necessary. He feared that the public could react to a policy regarding in camera meetings and felt that the existing policy was sufficient.

Coun. Thronson agreed

with Coun. Lukay and felt that such a policy would introduce too much red tape.

Coun. Breadner moved that the matter be referred to the next committee of the whole meeting. His motion carried 5 to 2 (Lukay and Fyfe voted against). The motion only referred to the matter of reasons for the in camera sessions being submitted in writing prior to the meeting.

Coun. Smith moved that the general reasons for an in camera session be given by the chairman to the public in attendance. This motion carried 6 to 1. Coun. Wetsch voted against.

Coun. Smith moved that in camera items be handled either before or after dealing with the agenda of the meeting. Coun. Lukay amended the motion so that in camera items would be covered following completion

of agenda items. Mayor Plain noted that a common sense attitude would be prevailing in such matters. The amendment failed 2 to 5 (Coun. Fyfe and Lukay in favour), and the motion failed 2 to 5 (Coun. Breadner and Smith in favour).

Coun. Smith moved that the motions arising from an in camera session be dealt with at a subsequent meeting

unless 2/3 support was given by council to continue with the motions. Coun. Lukay stated that this motion met his favour and felt that he was prepared to support it.

Coun. Breadner moved that the matter be referred to the committee of the whole meeting for consideration. This motion carried 5 to 2 (Coun. Lukay and Fyfe voted against).

VG survey will help plan after hours use

Next week, May 12 through May 16, Vital Grandin School will conduct a survey of the Sturgeon Heights area. The survey, organized under the direction of Mr.

Glenn Connelly, V.G.'s community school coordinator, will be done by adult volunteers from the Sturgeon Heights and surrounding areas. The school hopes to

determine and help to meet the needs of the community in the after school and evening hours. These needs may be in the area of educational and/or leisure

time activities. The survey is meant for the benefit of the community at large, both children and adults, not just for the residents with children attending Vital Grandin. The results of the survey will be made available to other agencies in the community (parks and recreation) to assist in planning programs for the people.

The surveyors will visit each home in the area,

explain the purpose of the survey, leave it overnight to be completed and pick it up the following day. It is hoped that the residents will cooperate in filling out the two page questionnaire. If there is more than one person in the household interested in

completing the survey, extra copies will certainly be provided. Nearly 700 residences will be surveyed. Any community member interested in helping with or just discussing the survey is invited to call Mr. Connelly at the school 459-7418.

CJCA highlights

Upcoming guests on CJCA's "Talk Back" show with host Fil Fraser include Jackie Esler from T.O.P.S. and Eugene Mitchell, president of the Alberta Federation of Labour on May 1st.

Jo Greene will be talking about Cystic Fibrosis on

Monday, May 5, and Graham Harle, the new minister of Consumer Affairs will be the guest on Wednesday, May 7. On May 8 W. Gifford Jones M.D. and author of "The Doctor Game" will be featured, along with a representative from the

Red Cross Society.

ON THE AIR - IN THE AIR

John Bohonos is the host on this CJCA show with interviews taking place Monday evenings on the Pacific Western Airbus at 8:30. Stewardess Ann Byrne will be John's guest May 5 and Dr. Neil MacDonald, executive director of the Provincial Cancer Hospital Board on Monday, May 12. Mr. Bohonos also hosts the Johnny on the Sport show heard Thursday evenings at 9:30. Tomorrow night, May 1, John interviews Petula Clarke in Las Vegas.

REGULAR EVENTS

MONDAY - 7:45 p.m. Camp Lacombe Bingo in Parish Hall.

WEDNESDAYS - Community League BINGO. Community Hall, St. Albert.

THURSDAY - 9 a.m. to 3 p.m. Mother's Day Out program. Bookings - 459-4534; Volunteers - 459-7476.

DIRECTORY CORRECTION

The Sick Room Supplies telephone number as listed on Page 29 of the St. Albert Directory is continuing to give the W1 women a lot of trouble. Because the number appears to be part of the Health Unit services, they keep getting calls for the Health Unit, and vice versa. Please mark your directory by underlining 459-6671 for all calls to the Health Unit. For sick room supplies call the numbers as shown at the bottom of "Services."

TUESDAYS - Sturgeon Valley Ladies Golf Club - Tee time 9 a.m., Business girls - 6 p.m. For further information call Shirley Fisher, 459-8317 or Flora Burry, 459-8549.

Ladies who would like to sing four part harmony - Barbershop style, are invited to join the Gateway Chapter of Sweet Adelines Inc. every Tuesday evening at 7:45 p.m. at Augustana Lutheran Church, 9901 - 107 Street, Edmonton. Further information may be obtained by phoning 459-8656 or 459-7496.

Engineers' wives are invited to meet other engineers' wives at the last coffee party of this season. It will be held May 14 at 8 p.m. Anyone interested please call 458-2359 for further information.

The Community League will be putting on a dinner and evening of entertainment for the Senior Citizens on May 27 at approximately 5:30 p.m., at the Recreation Centre. Anyone wishing to attend is asked to purchase a ticket for \$1.00 on Thursday afternoon, May 8, 15 or 22 at the Senior Citizen's Recreation Centre.

There will be a square dance this Friday evening at the "Cozy Acres Barn" - 234 St. Albert Road, featuring the Spirit River String Band. Dancing starts at 8 p.m. Admission is \$2 per person or \$3 per couple. No square dancing experience is necessary for a good time to be had by all! Homemade refreshments available!

There will be a special RCMP Open House for school children May 13, 14 and 15. The Open House will be on all day and the location is the corner of Kingsway Avenue and 109 Street. There will also be an Open House for the general public May 14 - 15 from 1 p.m. to 8 p.m. at the same location.

Games for mentally retarded

The 1975 Alberta special games, sponsored by the Alberta Association for the Mentally Retarded will see over 800 participants gather at the University of Alberta in Edmonton May 15 - 17 for the northern meet.

The week of May 11 is also set aside for mental retardation week in Canada.

The games serve as a stimulus for the development of comprehensive sports activities, physical education and recreational development for the mentally handicapped citizens. They also serve as a significant form of social development, demonstrate the potential ability of mentally handicapped people in sports when given the

opportunity and show to the public the rights dignity and ability of the mentally handicapped within the community.

The first special games in Canada were organized by the Harry E. Foster Foundation and hosted in Toronto in 1969 and 1971 with 1100 and 2000 participants.

Alberta was the first province to host special Olympics for mentally retarded children and adults. Edmonton hosted the games in 1971 with 550 participants for 30 different organizations. By 1974 the increasing number of participants meant that major events had to be staged in two locations, the Universities of Calgary

and Alberta in Edmonton. Edmonton hosted the games in 1974 with over 1000 taking part and 350 coaches registered from Medicine Hat to Yellowknife.

The sixth annual Alberta Special Games (northern region) activities include floor hockey, soccer, track and field, bowling and swimming.

Entrants are grouped for each event based on sex, age and ability. Other activities include novelty events, a night barbeque and dance.

Maximum participation is reinforced during the games by giving each entrant a participation ribbon for each event or activity entered.

Each participant will therefore go home with at least one ribbon.

While the games are a tremendous opportunity for the mentally handicapped, they are also a great social event and for some of the participants this might well be the highlight of their lives.

As recreation and physical education programs for the mentally handicapped develop in some areas and expand and improve in others, more varied events will be added to the games. Such activities could include social dance, gymnastics and certain team games, possibly added for 1976.

Socreds welcome

Albertans proposals

All four members of the Official Opposition will be overseeing government departments in the next Alberta Legislature.

Bob Clark, the Socred House Leader and MLA for Olds-Didsbury, will be responsible for matters concerning Energy and Natural Resources, Education, the Attorney General's Department, Consumer Affairs, Advanced Education, Hospitals and Medical Care, Manpower and Transportation.

The MLA for Clover Bar, Dr. Walter Buck, will oversee the Departments of Business Development, Corporate Affairs, Culture, Government Services, Municipal Affairs, Native Affairs, and Parks.

Ray Speaker, MLA for Little Bow, will keep abreast of Federal and Intergovernmental Affairs, Social Services and Community Health, Labour, Recreation, the Solicitor General's Department, Tourism and the Provincial Treasurer.

Agriculture, Environment, Housing and Public Works, Telephones and Utilities, and Wildlife will be monitored by Fred Mandeville, MLA for Bow Valley.

The Socred Opposition is looking forward to the May session of the Legislature to

ensure the government follows up on some of its promises. Increases in incomes for senior citizens, reform in the area of municipal and education finance, problems in the beef industry, all require immediate attention.

The Socred MLA would welcome any suggestions, criticisms or proposals concerning problems facing Albertans.

Bishop Street Problems Voiced

Residents of Bishop Street in Bessieville appeared before the council during the meeting on Monday night to express concern with traffic problems on the street and to make some recommendations to overcome the problems.

Mr. Dick Wheatley, Mr. Thiele, and Mr. Pincus were in attendance to impart to council the difficulties with traffic on Bishop Street. Mr.

Wheatley acted as spokesman and noted that there were six recommendations which had been the consensus of the residents of the area on methods which would solve the problems.

The requests were that a pedestrian crosswalk sign be erected halfway up Bishop Street (roughly at the point of the walkway), closure of Bishop Street by the island at the four-plexes, construction

of proper school bus loading pad on the island at the north end of Bishop Street, and widening of the south arm of Sturgeon Road to accommodate the angle parking,

maintain the no parking signs up on the west side of Bishop Street between Belmont and Sturgeon Road, enforcement of the speed

limit and no truck route bylaws, and rescinding of the no-school bus bylaw, providing the buses are properly muffled and do not speed.

Coun. Pyle moved that the matter be referred to staff and this carried 7 to 0. Coun. Wray moved that the matter be referred to the transit study which carried 7 to 0. Coun. Breadner moved that the matter be taken up with the residents and the council meet the residents of Bishop Street, this motion carried 7 to 0.

Mr. Thiele noted that pro-

blems had not improved with the efforts of staff and council in the past. He criticized the engineer for not making himself aware of the situation on Bishop Street before taking measures to ban parking. Mr. Thiele felt that the recommendations of the residents could be followed to improve the conditions.

Mr. Pincus noted that traffic conditions were bad. He told council that a hit and run incident - involving a car and a house - had recently taken place.

Need for more day care centres

Alberta Liberal leader, Nick Taylor, has accused the Provincial government of dragging their feet on the question of providing day-care centres, particularly in the area of post-secondary education institutions.

Taylor says that there is a pressing need for the establishment of day-care centres in the provinces trade schools, technical schools, junior colleges and universities.

Taylor calls for publicly funded day-care centres at these institutions in order to allow single parents, particularly women, to upgrade their education and skills so that they may be able to leave the welfare rolls and take up these more meaningful commitments in society.

Under the current situation, says Taylor, single parents are being denied the access to further their personal development and as such are being denied the opportunity to play a more constructive role in our society.

Furthermore, says Taylor, it is economically shortsighted and backward to restrict the furthering of these people's development. There is a tremendous potential to the total economy that we are leaving untapped by not providing the opportunity for single parents to further their educational and personal development.

Research has shown that children brought up by parents who have the opportunity to further themselves are better adjusted, more happy and more productive as well as better adjusted than those children coming from parents, particularly single parents, who do not have the opportunity to further themselves.

177 dancers take exams at St. Albert school

Dancing examinations in ballet, modern dance and tap took place at St. Albert School of Dancing for one full week. Miss June Rycroft and Miss Ivy Baker of London, England, examined 177 children. Results were as follows:

Classical Ballet - 4 Honors,
11 Highly Commended, 20
Commended, 16 Pass Plus; 1
Pass.

Modern Dance - 11 Hon-
ours, 14 Highly Commended,

20 Commended, 18 Pass
Plus, 5 Pass.

Tap - 12 Honours, 18
Highly Commended, 14
Commended, 9 Pass Plus, 1
Pass.

WI to host district supper

The April meeting of the St. Albert Women's Institute was held at the home of Mrs. S. Bonneville. Merelyn Henry showed two handicraft ideas. The first one was how to make a rose using plastic circles, pins, styrofoam balls, wire and florist tape. The second one was how to make place-mats etc. by weaving wool through punchinello which can be obtained from a hobby shop.

St. Albert WI is hosting a pot luck supper on June 17 for District 2 and a member

of the ACWW executive. The Senior Citizens have kindly given us permission to hold this supper at the Recreation Centre, since the District 2 members would like to see this building as we are the only group that has taken on a project of this size.

Roll call was to wear a homemade hat either funny or serious. A prize was given in each category for the best hat by our judge Mrs. Melnyk, who was our guest for the evening. Louise Fuhr won the prize for the funniest hat and Marg. Dalman won the prize for the best serious hat.

Mrs. Melnyk, our constituency convenor, gave a talk. She praised the group for their work in completing the Senior Citizen's Recreation Centre and said she was looking forward to seeing it on June 17. She spoke on our responsibility to the Alberta, Federated and World organizations. She said much is still to be done for the "Save the Sight" program.

NUTRITION STUDY - DIETS

Laura Henry gave a talk on nutrition. We have been making a study of nutrition from the Canada Food Guide and Laura has been our reporter. She said Fad Diets are very popular. Many books have been written with a great deal of misinformation. With these fad diets that advertise quick weight loss, most of the loss is water. Diets which are low in carbohydrate and high in protein and/or fat are the

Miss Ivy Baker, I.S.T.D. Examiner with some of the students who took exams at St. Albert School of Dancing. Standing from left are Leanne Lynch, Doris Wutzke, Joanne Smith, Lynn Fonteyne and Cindy Sinclair. In front are Colleen Hughes, Sabrina Boese, Miss Baker, Julie Rumpel and Gwen Roberts.

type that produce weight loss due to loss of body water. Some of these diets cut out so many nutrients because they are a restrictive diet. They may be dangerous. A diet should have all the required nutrients, plus be appealing and provide a large number of foods to choose from. The reduction of calories is what causes weight loss.

It is easy to dodge our responsibilities, but we cannot dodge the consequences of dodging our responsibilities.

Search for talent results

The 28th Season of the Associated Canadian Travellers - CFRN Search for Talent came to a successful end in early April with the televising of the Search for Talent finals.

The 1974-75 season was very successful with over \$5,000 being raised for the Northern Alberta Crippled Children's Fund and 670 contestants appearing in the 14 shows and the three semi-finals.

Winners as declared in the finals were presented with trophies and or bursaries by the sponsors of the four divisions.

Canada Safeway presented trophies and bursaries to the winners in the junior division. A second prize in this division went to James Barnes of St. Albert with an organ solo and third was a vocal solo by Carmen Baudin of Edson. First place went to 12 year old Carey Lynn Kindraka of Glendon. She won with a vocal solo of "Top of the World."

Acme Amusements presented trophies to the winners of the Variety Division. First place was won by 20 year old Kirk Boucher of Slave Lake. He presented a guitar and vocal solo "The

End of the World." Second place went to Tony Mapa of Vegreville and third went to a piano trio from Millet - Marie Kemp, Karen Hildebrandt and Grace Hirsckorn.

Northwestern Utilities presented trophies to the winners of the Showmanship Division. Country and Western impersonator, Ken Stevenson of Onoway walked off with top honours after winning at the regular show in Vegreville and the semi finals in Thorhild. Ken was closely followed by 15 year old Lori Vendasen of Millet for second spot with third place going to the instrumental group "Bluestone" from Westlock.

Jim Edwards, operations manager of CFRN Radio presented bursaries to the winners in the Sunwapta Division. First place winner, David Velichko of Edson won a year's tuition to the Banff School of Fine Arts. David played an accordion solo which won him first place honors in the regular show held at Morinville and the semi-finals held in Thorhild. Second and third place winners performed piano solos. Second went to 15 year old Harald Herchen of Evansburg while third was

won by 17 year old Sharon Mantal of Hinton.

The Trip for Two to Mexico, courtesy of CP Air and \$200 spending money was won by Mr. Haley Nelson of Ochapota, Alberta.

A spectacular sight at the St. Albert airport last Sunday morning. The World War 2 'Lancaster Bomber took to the sky for an air test flight with a skeleton crew aboard. The noise from the four Merlin V-12 engines was near deafening as the bird did a short taxi run to the west end of the grassy field, turned with an elegant air about it, and sprinted to a perfect take-off. The plane made a wide turn then cruised over the field in salute. The craft is now undergoing repairs at another field in the area in preparation for its flight to a new home across the Atlantic.

Mrs. Ethier feted on 80th birthday

On the evening of April 10, 28 members of Mrs. M. Ethier's family gave her a delightful surprise dinner party, held at the Empress of China, on the occasion of her 80th birthday.

Thinking that her birthday had been fully celebrated she was more than surprised at an Open House held in her honour on Saturday, April 12. The reception had been pre-arranged by her family at Kiwanis Place in Edmonton, where Mrs. Ethier lives, and was held from 2 - 5 p.m., in the Recreation Hall.

She was escorted down the aisle by two sons-in-law, Dr. Gordon Baux of Calgary and Mr. James Rea of Edmonton, to a beautifully decorated table, centered with a pink and white cake in the shape of '80'. Matching bouquets of white mums and pink carnations accented the cake on either side, with white candles also in the '80' shape.

Mrs. Ethier was greeted by her many friends and family, which includes 23 grandchildren and 18 great grandchildren. About 140 came to wish her many more happy years.

Great grandchildren Dean Anderson and Shawn Hesse, on behalf of all the grandchildren and great grandchildren presented Mrs. Ethier with a gold locket watch, inscribed "Avec Amour April 10th 1975."

A beautiful verse on a scroll, done by her granddaughter Judy Baux, and bearing the names of all the younger generation was also presented. Everyone enjoyed the luncheon, beautifully arranged by Trio Catering of St. Albert.

Out of town friends present included Mr. and Mrs. Duitman from Red Deer and many from Legal, Morinville, St. Albert and Sherwood Park, and Mrs. Ethier received many lovely cards and gifts. Greetings were read from Premier Lough-

ed, Lieut. Gov. Ralph Robert Stanfield and Hon. Steinhauer, St. Albert M.L.A. Marcel Lambert and Mayor Ernie Jamison, the Hon. Hawreluk.

Red Cross- your emergency lifeline

Everyone has a life-line. It runs across the palm of the hand, and some people believe that by studying its pattern they can foretell the future. Is it long and un-

broken, a steady line, indicative of a trouble-free life? Or is it, like most, interrupted or faint here and there, a warning to be prepared? Red Cross does not make

prophecy a part of its program but it does place priority on preparedness. Red Cross members around the world are constantly ready to step in to be an emergency life-line to others

whose lives are interrupted or endangered by accident, disease or disaster.

Emergency aid is such a major part of the work of the 122 national Red Cross societies, that this year they have chosen to give it emphasis as together they celebrate World Red Cross Day. May 8 is the anniversary of the birth of Henry Dunant, who founded the Red Cross movement more than 100 years ago. It is a day which provides an opportunity to consider the many ways in which the Canadian Red Cross is an emergency life-line in your community.

Every year, lives which might have been lost, are saved because volunteer Red Cross blood donors gave the gift of life. Every year, many thousands of people are supported through a difficult time by Red Cross volunteers who help to make life a little easier, a little brighter for the sick, the lonely and the aged. Each year, Red Cross provides emergency relief to many Canadians who are the victims of fires or other disasters. And, in almost every part of the world, when earthquakes, floods, hurricanes or cyclones strike, Red Cross is often first on the

scene bringing help and hope, and providing food, clothing and shelter for the unfortunate victims.

Red Cross can't predict the hour when its resources will be needed, but the Society knows without benefit of prophetic palm reading that the life-lines of many people will not trace a smooth and steady path. It knows as well that critical circumstances vary in kind and scope almost as much as the creases on the palm vary from hand to hand. Be it a family crisis, or an international disaster, the Red Cross is prepared... an emergency life-line!

Temperature conversion to degrees Celsius

The date for changing our temperature records to degrees Celsius is April 1.

If you would like to change the face of your Fahrenheit thermometer so that you can read it directly in Celsius degrees, here is how the head of Alberta Agriculture's Engineering and Home Design Branch, George Calver, suggests you do it.

*Measure the length of the scale on your Fahrenheit thermometer.

*Cut a strip of light plastic or waterproof paper the same length.

*Place the strip beside your Fahrenheit thermometer and put a mark at the places which coincide with 104° and 32° on the Fahrenheit scale.

*Mark these points 40° C. and 0° C. respectively.

*Using the chart below, put the point marked 40° C. on your strip on the 40° C. sloping line.

*Then, move your strip to the left or right until the 0° C. on it coincides with the 0° C. line on the chart.

*Now mark all the other degrees on the Celsius scale on your strip of plastic or waterproof paper.

What's on

Theatre Edmonton for Young Audiences will present Aladdin and his Wonderful Lamp at the Provincial Museum 12845 - 102 Avenue May 9 - 7 p.m. and May 10 - 10:30 a.m. and 2 p.m. Children 50¢ and adults \$1.00.

Studio Theatre will present "The Promise" by the contemporary Russian playwright Alexei Arbusov May 15-17. Tickets will be available from May 8 from the Department of Drama at the University of Alberta. Performance time is 8:30 p.m. and admission is free.

Committee Recommendations Carry at Meeting

There were no people in the audience, aside from a representative of the press, during the delegations and deputations segment of the council meeting on Monday, May 5.

Coun. Lukay moved the committee of the whole recommitment from the

April 28 meeting.

The matter of Lot 1R, Block 11, Plan 4476 R.S. (north of the intersection of Boudreau Road and Hebert Road running as far as Flagstone Crescent) was referred to the ad hoc committee to consider potential sale of the land or other uses with a vote of 7 to 0. Coun. Weisch was appointed alternate member to the ad hoc committee 7 to 0.

Approval was given to second and third reading of Bylaw 49/73 to amend Bylaw 23/71 dealing with the subdivision of part of River Lot 46 with a vote of 7 to 0.

A proposed exchange of 4.13 acres, being Lot 1R, Block 10, was made, subject to an evaluation of fair market value of the lands, in view of the R3 zoning and other pertinent details to help with a decision, with a vote of 7 to 0.

Council voted 7 to 0 to seek if a statement could be provided by the school board for District #3 that land in Lacombe Park will go for \$1 when redundant for school purposes, and revert back to the municipality.

Council directed to staff with a 7 to 0 vote to have the naming of roads within a neighbourhood utilize the historical names of St. Albert residents, with the consultation of the Historical Society.

Council voted 7 to 0 to provide a schedule of costs for printing, bearing in mind the following principles: financial statements as described in the Act will have to be provided free of charge and other requests are to be provided at cost to include paper, labour and machine time.

Council voted 7 to 0 to approve in principal the recommendation for transfer of title to consolidate Lots 5,

6, 11 and 12, Block 9 Plan 5428 A.W. into one title and to consolidate Lots 7, 8, 9 and 10, not including the lane, into a second title. The property is located near the grain elevators at the northwest of St. Albert.

Coun. Fyfe and Thronsdon voted against opposing the annexation by the Town of Morinville. The parcel represents some 640 acres to the northeast of Morinville.

Council voted 7 to 0 to allow any member to attend the Urban Transportation Noise Seminar.

The Penrith's of Australia were in St. Albert last week. Harry [right], his wife Leone and daughter Lus [centre] are seen here talking with Mrs. Lynn Smith of St. Albert. The evening was well attended by people who discovered much about life on Aboriginal reservations. Harry is the Deputy Director of Aboriginal Hostels Inc. which is concerned with providing short term care and housing for transients and those who go to cities for courses, medical treatment, etc. As a Baha'i member of the world-wide Baha'i community, Harry has found himself and his family at home wherever his around-the-world trip has taken them. Their next stop is Regina, and they will eventually leave Canada for Israel. While in the area, the Penriths visited Poundmaker Lodge, met with several Native organizations, and had an interesting meeting with the Lieutenant-Governor of Alberta.

AN EXTRA PHONE IS A HANDFUL OF CONVENIENCE!

Be an extension-phone family. Put it upstairs, downstairs, anywhere. In your choice of color from warm white to razmataz red or Bourbon-Street blue!

PUBLIC UTILITIES BOARD NOTICE

IN THE MATTER OF "The Gas Utilities Act," being Chapter 158 of the Revised Statutes of Alberta, 1970:

AND IN THE MATTER OF the issue of an 11.74% Debenture in the aggregate principal amount of \$4,000,000 and 120,000 - 10.63% Cumulative Redeemable Second Preference Shares Series A by Northwestern Utilities Limited (hereinafter called "the Company") to Canadian Utilities Limited.

NOTICE IS HEREBY GIVEN that the Company has applied to the Public Utilities Board, at 11th Floor, ManuLife House, 10056 - 106th Street, Edmonton, Alberta T5J 1G2, for an Order of the Board:

1. authorizing the issue; and
2. approving the purposes of the issue:

UNLESS OBJECTION by a person having an interest in the matter is filed on or before May 30, 1975 with the Board and with the Company at its address set out below, the Board may issue its Order without further notice.

COPIES of the application and information filed in support thereof may be obtained by interested persons from the Company, care of Messrs. Milner & Stier, Solicitors for the Company, at Ninth Floor, Milner Building, 10040 - 104th Street, Edmonton, Alberta, T5J 0Z7.

DATED AT EDMONTON, in the Province of Alberta, this 2nd day of May, A.D. 1975.

PUBLIC UTILITIES BOARD
(SIGNED) C. R. LEISHMAN
SECRETARY.

About an hour after the Dispose-All container truck overturned, tow trucks from Grandin Towing managed to turn the big machine back onto its wheels. No one was injured or changed in connection with the accident which caused an estimated \$500 damage to the truck, not to mention damage to the driver's pride. The truck was making a haul from the former nuisance grounds where a large container is kept for miscellaneous trash.

Father Jake Joly informed students at Vital Grandin Elementary School that they were pretty good on Friday, May 2, when over \$2,000 was presented by the students to go towards various worthwhile projects. \$300 was presented to Hank Reinhold (top centre) to go towards Camp Lacombe, \$730 was presented to Father Al Roy (top right) for Share Lent - raised by V.G. students at a flea market held recently, and Father Jake Joly (top left) was presented with a cheque for \$1,574.64 for Share Lent - raised by the students from a starve-a-thon. The students who presented the cheques are from left to right: Imelda Parth, Michel Lancaster, Robert Gordon, Theresa Fitzpatrick, and Debbie Hanson.

Legion to serve Mother's Day breakfast

The local branch of the Royal Canadian Legion will be serving a Mother's Day breakfast on Sunday, May 11 from 8 a.m. to 12 noon in the Legion Hall. The menu will consist of pancakes, sausages, eggs, coffee or tea or

milk and juice. All proceeds to be funneled into the building fund.

The general public are invited to partake of this Mother's Day breakfast, and give mother, or father, as the case may be a rest from

making breakfast for the family. The cooking, serving and cleaning up will be done by male members of the branch. Bring the family and join the fun.

Cement Work

All types of cement work. Sidewalks, patios and driveways. Free Estimates.

Canadian real estate doing well

Canadian real estate investment trusts are doing well in comparison with those in the United States. G.E.W. Hemmans, president and general manager, TD Realty Investments, said recently.

There was a proliferation of REITs in the United States in the latter half of the 1960s and early 1970s, he said, and "it was almost inevitable that in a collapse such as that which took place in the latter half of

1973, someone would be hurt."

"In Canada, the situation was different," Mr. Hemmans said. "The REIT industry here was born in 1972, but did not become active until 1973. By then cracks were beginning to show in the economy, and instead of starting off with a rush, as they might have if conditions had been different, the Canadian REITs proceeded in a much more cautious and conservative manner than their U.S. counterparts."

Mr. Hemmans added that proof may be found in earning records. "All the Canadian REITs are doing well whereas our neighbours to the south are not."

Japan gives lead in recycling waste products

With the continuous guzzling of the world's resources, the need to recycle waste material and the vulnerability of industrialized nations to world energy shortages, it is good to see that one nation is making a great effort to recycle waste material.

Japan, the industrialized nation most vulnerable to world energy shortages because of its high consumption and heavy dependence on oil has just launched on a massive program to recycle waste material by:

*Conducting successful tests to recover oil from

waste plastics.

*Developing the world's first technique to manufacture synthetic timber and is producing 200 tons a month by mixing waste plastics with chips.

*Manufacturing gravel suitable for construction use by pelletizing a mixture of waste paper and metal.

It has also set in motion the long-term "Sunshine Program" designed to lead by the year 2000 to the practical exploitation of solar and geothermal heat, synthetic gas, hydrogen and other energy sources.

Other annual volumes of waste materials that Japan is attempting to deal with include more than two million tons of plastic, 2.7 million cars, 390,000 tons of

electric home appliances, 570,000 tons of car tires, 1.1 million kilolitres of oil, 4.5 million tons of cast metal sludge and 40 million tons of waste steel.

Japan lead the world when in 1974 it recovered 6.6 million tons or almost 40 per cent of its used paper.

In the private sector, the Japan Resources Technical Institute has concluded an agreement with the National Centre for Resources Technical Institute of the United States to exchange information on municipal refuse and disposal and resources re-utilization.

Japan has been stepping up its efforts to promote resources conservation and waste material recycling since the oil crisis of 1973. It depends on imports for more than 95 per cent of its oil and much of its raw materials.

Between 1960 and 1973 Japan's energy requirements increased an average of 12 per cent annually, or more than twice the world expansion rate.

Paper refuse is combined with waste metal in Japan and pelletized in a rotary kiln at 1,200 degrees centigrade to form a gravel substitute. It results in a light but strong building material ideally suited for lending strength to objects like the cement column, centre. Japan has a shortage of natural gravel.

PUBLIC NOTICE

BYLAW NO. 1/75

By the Board of Trustees of the St. Albert Protestant Separate School District No. 6 of the Province of Alberta.

WHEREAS it is deemed expedient by the Board of Trustees of the St. Albert Protestant Separate School District No. 6, of the Province of Alberta, that the sum of One million eight hundred thousand dollars (\$1,800,000.00) should be borrowed on the security of the said District by issue of debentures repayable to the bearer in twenty-five consecutive annual instalments with interest at the rate of not more than twelve per cent (12%) per annum for the following purposes, namely:

a) Landscaping Site at an estimated cost of \$ 5,000.00

b) erecting a masonry addition to the Paul Kane High School to consist of: 6 general classrooms, 2 Science Experience Classrooms, 1 ancillary classroom, 1 Business Education (manual typing), 1 Business Education Office (practice business machines), Library, Home Economic (3rd Station), Industrial arts (3 stations), Phys. Ed. Floor, Phys. Ed. Storage, Shower and Dressing rooms, Phys. Ed. office, Staff Room, Staff Workroom, Cafeteria, Sercery plus such other non-instructional areas as are deemed necessary to provide a functional educational unit and fall within the limitations set forth in the Regulations under the School Buildings Act, and renovations to the existing Paul Kane High School at an estimated cost of \$1,725,000.00 including Architectural and Engineering fees and water supply and sewage disposal systems.

[*May be combined as Staff Work Room]

c) providing furniture and equipment at an estimated cost of \$ 70,000.00

d) at the Paul Kane High School Site in the Forest Lawn Subdivision, St. Albert.

THEREFORE, notice is hereby given by the Board of the said School District that unless a poll of the electors of the said School District for and against the said debenture loan is demanded, as provided by Section 104 of The School Act, 1970, the said Board will apply to the Local Authorities Board for authority to borrow the said sum by issue of debentures.

Of which all persons interested are hereby notified, and they are required to govern themselves accordingly.

W. W. WEBBER,
CHAIRMAN.

Dated at St. Albert this 23rd day of April, 1975.

INSTRUCTIONS TO ELECTORS PETITIONING FOR A VOTE ON A MONEY BYLAW IN A SCHOOL DISTRICT [Sections 2 (e), 3 and 104 - The School Act, 1970].

"Elector" for the purposes of petition for a vote on a debenture bylaw means a person:

- 18 years of age or older,
- who is a Canadian or British subject, and
- resident, in the case of a petition, in the district or division in which the petition is to be presented on the day upon which he signed the petition, and who has been a resident of Alberta for the six consecutive months immediately preceding nomination day or the day upon which he signed the petition, as the case may be.

A poll respecting the aforementioned borrowing may be demanded in a School District by preparing and submitting to the School Board a petition for a vote in accordance with the provisions of Section 2 (e), 3 and 104 of The School Act, 1970.

The petition must be signed by at least

- 2 per cent of the electors in a district or division having 10,000 electors or more, or
- 5 per cent of the electors in a district or division having less than 10,000 but 5,000 electors or more, or
- 10 per cent of the electors in a district or division having less than 5,000 electors but 500 electors or more, or
- 15 per cent of the electors in a district or division having less than 500 electors.

and be filed with the Board within 15 days of the last publication in a newspaper of the public notice of the proposed debenture borrowing.

AROUND TOWN

Karen Brown, a grade 6 student at Leo Nickerson Elementary, won a major award at the recent Edmonton Regional Science Fair. Karen, who lives at 58 Falcon Crescent, took the Dr. Gowan Physics award for her project - a cloud chamber which illustrated the existence of molecular particles. This is the second time in the past 10 years that an elementary student has won the Gowan award which is usually won by junior high or high school students. Karen worked on the project for over four months.

Paul Kane badminton report

By Allen Skinner

Throughout the past season, the badminton teams of Paul Kane have worked hard to make a short, very exciting season well worthwhile. Through their determination, hard work and sportsmanship, Paul Kane enjoyed much success in inter-school competition. Although there were losses, all players strived for improvement and strengthened their weak spots in order to hopefully come out on top. All played good hard games, demonstrating good physical abilities and a desirable school spirit.

Concentration, and perhaps a little luck, brought forth winners where as lack

of concentration and diminishing hope sometimes rendered unfortunate losers nervousness was characteristic of all players.

The elimination process used this year, began with the conference finals at Westlock on April 13. Players battled it out with Paul Kane winning some games, losing others.

The 16 team member of Paul Kane that participated this year were, for girl's singles: Lori Sinclair, Janny Bakker, boy's singles: Brad Sinclair, Cornelius Hadziyer, girl's doubles: Heather York and Liane Madsen, Colleen Moorhead and Wendy Weismantel, boy's doubles: Helgi Eyford and Dean Hunt, Doug Langridge and Zane Kelly, mixed doubles: Val Green and Al Musto and also Melanie Erickson and Rob Walkingshaw.

ZONE FINALS

Out of the 16 Paul Kane players that entered the conference finals, nine gained standing in the next elimination tournament which was the North Central Zone finals. The "Zones" were held at Paul Kane and St. Albert High School on April 20. P.K. hosted the girl's doubles, boy's doubles and mixed doubles, while St. Albert High hosted the girl's and boy's singles events.

Representing girls' singles was Lori Sinclair. In the girls' doubles, Colleen Moorhead and Wendy Weismantel carried our colors. Our boys' doubles event representatives were Helgi Eyford and Dean Hunt and also Zane Kelly and Doug Langridge. In mixed doubles, P.K. was ably represented by Val Green and Al Musto.

At St. Albert High, Lori Sinclair who played along in singles was unfortunately eliminated from further competition when she failed to place in the finals.

For Colleen Moorhead and Wendy Weismantel, the Zones turned out to be a little disappointing. They played tremendously well throughout the season and were undefeated in the zone round robin. In the finals, however, game pressure seemed to take its toll and the best the girls could manage was a

fourth place standing.

In boys' doubles, the two teams played very well throughout the season. In zone competition, Helgi Eyford and Dean Hunt lost only one game in the round robin and came through in the finals to gain a first place standing. On the other hand Doug Langridge and Zane Kelly, the other boys' doubles team, played their best and also lost only one game in the zone round robin but in the finals were eliminated.

In mixed doubles, Val Green and Al Musto proved to be unbeatable in the round robin competition and then defeated the 1974 provincial mixed champions in a best of three finals.

PROVINCIALS

After the smoke had cleared from the heated battles in the zone finals, four Paul Kane players had earned the right to compete in the 1975 Provincial finals in Calgary, held on April 26. Val Green and Al Musto together with Dean Hunt and Helgi Eyford, did us proud. They, along with 20 other members of the North Central Zone team, captured the Non-Urban Aggregate trophy, beating out seven other provincial zones in the process. In addition, Val and Al took third place in the provincial mixed doubles competition.

What was the overall summary of this season? Great! And with next year, there comes the hope of an even bigger and better season.

Grandin Youth Bowlers Do Well

SHANNON MORGAN, Tony Nielson and Andy Graham with their trophies after a successful spin in Calgary May 4 for the Alberta and B.C. Youth Bowler of the Year tournament. See story.

Three Grandin Youth Bowlers did well at the Faltview Bowling Lanes in Calgary May 4 in the Alberta and B.C. Youth Bowler of the Year tournament.

Bantam boy Andy Graham won first place trophy for Alberta bowling 226 pins

over his average, then also won first place against B.C.

In the senior division Tony Nielson won first place trophy for Alberta bowling 157 pins over his average and he also won a first place trophy against B.C.

In bantam girls, Shan-

non Morgan won the second place trophy, for Alberta bowling 150 pins over her average.

Grandin Youth Bowlers are having their banquet May 10 at 11 a.m., in the St. Albert Community Hall.

Long weekend - National parks

Elk Island National Park will open its Gates on May 9, from 8 a.m. until midnight daily. Please note that the south entrance to the park will be closed until about July 1 for extensive road work. The Sandy Beach Campground will be opened on May 16, and the Information Centre on May 17, along with the Ukrainian Pioneer Home. There will be supervised swimming at Asotin Lake from May 16 and boat launching and picnic facilities will also open on the 16th. The golf course will be opened May 9.

At Jasper National Park the Wapiti Campground opens May 8, and Snaring River, Miette, Wabasso, Mt. Kerkeslin and Whistlers on May 16. Whistlers will close again May 20, to re-open for the season June 6. Camp-

grounds opening June 13 are Honeymoon Lake, Jonas Creek, Columbia Icefield and Wilcox Creek. Celestine Lake campground will not open until June 28. Picnic areas will open as weather permits.

The tennis courts and Jasper Sky Tram open May 10 and the Columbia Icefield snowmobile tours and Chalet cafeteria on May 15. The icefield service station and coffee shop opens May 1.

Campgrounds planned for opening May 15 in Banff National Park are the following, however due to late spring and heavy snowfall all may not be open: Tunnel Mountain Trailer Court, Tunnel Mountain Tent Trailer, Tunnel Mountain Village 1, Johnston's Canyon, Hillside Meadows Campground, Two Jack Lakeside.

At Waterton Lakes Park

two campgrounds are planned for opening May 16 if weather permits: Crandell Mountain and Townsite Belly River. The golf course opens May 15.

The only campground at Yoho National Park planned for opening on the long weekend is the one at Chancellor Peak.

ST. ALBERT RECREATION REPORT

The regular meeting of the Parks and Recreation Board will be held on Wednesday, May 7 in the Town Hall annex at 7:30 p.m. Members of the public are invited to attend.

PEDAL PUSHERS

Parents who wish their children in grades 1 - 6 to participate in this year's Pedal Pusher program are reminded of the organiza-

tional meeting scheduled to take place on Wednesday, May 7, in Leo Nickerson School at 7:30 p.m.

It is most important that parents attend this meeting, as without their participation it will be impossible to carry out this very important program which is being sponsored by the St. Albert Safety Council in co-operation with the Department of Parks and Recreation. The

young cyclists will be meeting on May 26, 28 and 30 and June 2, 4 and 6.

This year the town will be divided into districts where there are paved areas - usually beside a school - and the parents in each district will run the program. No previous experience is necessary - just enough concern for the safety of the children to do something about it. The Safety Council will arrange for the registration forms to be distributed in the schools and for all the necessary instructional material to be available to the instructors.

Members of the Safety Council will be at the meeting on May 7 to give guidance to the parents on how to run the program. But unless there are enough parents there willing to instruct, check bikes, etc. there will be no program. So, parents, don't let your children down - surely the safety of your children is worth a few hours of your time.

Each area will require a co-ordinator; two instructors for every 20 children and one "bike checker" for every 10. To repeat, in areas where there is not sufficient parental support, there won't be a program.

open on Saturday, May 17, if everything goes according to plan. An advertisement will be published next week giving the schedule for the opening weekend. During the summer, there are sessions for public, family, teen and adult swimming so everyone gets a turn.

Application forms for the season are available at the Town Hall. The cost of these is \$36 for a family; \$14.50 for adults; \$12. for students (13 - 17 years) and \$8.50 for children of 12 years and under.

LOST AND FOUND

A pair of sunglasses was found at the Mission Clubhouse, possibly left by someone who attended the meeting workshop held there on April 19 and 20. They can be picked up at the Department of Recreation in the Town Hall.

Anyone who lost anything at the arena or outdoor rinks during the winter is asked to please go and look among the articles which were found and which are now laid out on tables at the arena.

There are many jackets, mitts, etc. of good quality as well as skates and hockey equipment. It would be a shame to replace them next winter without first checking first that they are really lost. So please look in the arena

for that missing scarf, jacket, hockey helmet - it can't be kept indefinitely.

The arena is open 7:30 a.m. - 4 p.m. Monday through Friday.

LADIES SOFTBALL

There are three numbers to call to register for ladies softball - Vi Oke - 459-8013; Marilyn Wakefield - 459-6385, or Donna Ermantrout 459-4341.

PLAYGROUND PROGRAM

A playground program for children of five years and up will be in operation at the rink shelters during July and August.

BEAVERS

Parents interested in the "Beavers" the pre-Cub organization which is affiliated with the Boy Scouts of Canada, are invited to a meeting on Thursday, May 22 which will be held in Grandin Clubhouse (beside the swimming pool) at 8 p.m.

The Beavers are comparatively new to St. Albert. Boys from 5 - 8 years (or Grade 3 whichever happens first) are eligible to join. Last year a "colony" was established in one area of town and was very successful because of the support and interest of the parents.

The meeting on May 22 has been called with a view to expanding the program into other districts and this can only be achieved if parents are willing to get involved. There will be a slide presentation and parents and anyone else interested will have an opportunity to learn more about the program.

BASEBALL

More assistance would be appreciated in all areas of the baseball program. Phone Joe Arisman at 459-8913 if willing to help as coach, umpire, statistician or whatever.

BICYCLING

A bicycling officials' clinic will be held from May 30 - June 1 at the University of Calgary.

The clinic is sponsored by the Alberta Bicycling Association and the Alberta Department of Recreation, Parks and Wildlife and is open to anyone active or wishing to become active in organized cycling in the community. There is no fee for the clinic but candidates will be responsible for their own meals, travel and accommodation.

The deadline for application is May 23. Further information is available at the Department of Recreation in the Town Hall.

TENNIS

The tennis lessons sponsored by the St. Albert Tennis Club are now in progress. The weather has not been particularly co-operative and lessons have had to be cancelled occasionally. However, they will come to an end though possibly not until the end of May.

With the appointment of a well qualified instructor and supervisor, there is a possibility that further lessons will be offered when the present sessions are over.

The times when the courts are available to the public are very irregular at present because of use by the schools during the day, club playing times and lessons. If in doubt about the availability of course at either Mission Park or Sunset Boulevard, check with the Department of Recreation before going to play.

ACCOMMODATION

Officials of organizations wishing to apply for the use of facilities for fall and winter programs are reminded that application forms are now available at the Department of Recreation.

Lions plan bike-a-thon

The Breakfast Lions Club have again organized to sponsor a bike-a-thon to be held Saturday, June 7, starting at Lions Park and following the same route as other years for a total of 25 miles.

Co-chairman Father Jake Joly and John Kaminski announce changes they feel will make the event bigger and better. Adult riders that would be unable to ride on the seventh will have an opportunity to ride on Sunday the eighth of June.

Lion Dr. Cuts will be in

charge of a service club competition, Lorne Johnson for a ladies competition, Bernie Veness for the real estate representatives, Hubert Poitras for businessmen. Dr. G. Boychuk for doctors and dentists competition.

Another feature will be a trophy to the highest sponsored student in each of the schools. A concession and entertainment on the bandshell are also being planned.

Pledge forms will be available at all the schools and Hutching's Shoes.

Safety Council Reminders

WATER SAFETY

The river is not a good play area at any time. With the water level fluctuating as it does at this time of the year, it is now particularly unsafe.

AT HOME

Keep young children away from power mowers. The stones they throw on to the lawn may be thrown back at them, with dire results.

CYCLISTS

The rules of the road apply to YOU -- as well as to the motorist. A stop sign means "Stop" to you as much as to any other road user. The use of lights at night includes you along with all other vehicles.

MOTORISTS

You can cross the International Date Line and lose a whole day. There's a line down most highways you can cross -- and lose much more than that! Use your seat belts!

PEDAL PUSHERS

The St. Albert Safety Council will assist volunteer parent groups in the various areas of town to set up Pedal Pusher training programs. Information has been sent to the schools this week and IF enough parents come forward registration will be taken May 21st and the program should start on May 26.

SWIMMING

The swimming pool will

Villeneuve seniors hold hockey windup

Friday, April 25, the Villeneuve Hall was the scene of the senior hockey club's year-end party. About 200 people including players, wives, girlfriends, parents and fans sat down to a delicious hot beef supper catered by Trio Catering. Grace was said by Father Roche.

After supper George Soetaert Jr., acted as master of ceremonies. Glen Berry first presented his trophy to team

captain Victor Soetaert. This trophy is presented annually by Glen to the team winning the cup in the Senior "B" league.

George Soetaert said a few words about each player, after which Noel Meunier, coach; and Emile Soetaert, manager, presented the players with a souvenir trophy, and hockey jacket.

Elaine Soetaert was commentator to a skit about each player prepared by herself, June Borle, Simone Borle, Colleen Sheehan and Patricia Sheehan. This proved both interesting and hilarious as the players really found out what they are like at some games.

Victor and Gerald Soetaert presented tokens of appreciation to the coach, manager and sweater sponsors. Roger Henry for Sturgeon Valley Fertilizer, and Pat Sheehan for J. I. Case. Also to our timekeeper Daryl England.

Roger Henry then made a presentation to each player from Sherritt-Gordon Fertilizer. Wives, girlfriends and some fans also received jackets. There was an enlarged picture shown during the evening of our original team who won the first Senior "B" cup in 1962-63.

Everyone enjoyed dancing to the music of the Satellites and lunch concluded the evening.

A great way to end a glorious year and again a big thank you to the fans for their support and from the fans to the players. Congratulations, we are proud of you!

Winter passes - summer sports well under way

With winter well away now and summer just around the corner, summer sports are beginning to make themselves felt in the community. In Little League Baseball, which will be ready to go May 12, 273 players have

registered in 22 teams. Baseball practices will start this week. Chairman of Little League Baseball, Joe Arisman said that the league was all set to go Monday but that the league could still use

some help in the coaching area. This year, a first for St. Albert there's a four team T ball division for eight year olds, also an eight team mosquito division for nine and 10 year olds. And, another first for St. Albert, the six team beaver division of 11 and 12 year olds will all be uniformed. A four team bantam league is also slated to get off the ground with the start of the season next Monday.

STURGEON MEN'S FASTBALL

About 120 - 150 players have registered with the Sturgeon Men's Fastball League. The 10 team league commences May 12, with the following schedule -

Stony Plain Playboys vs Onoway at Stony Plain.

Spruce Grove Panthers vs Enoch Falcons at Spruce Grove.

St. Albert Inn vs St. Albert A's in St. Albert.

Fairhaven Falcons vs Spruce Grove KCs in St. Albert.

Calahoo Chiefs vs Stony Plain Kings in Calahoo.

There will also be a Sturgeon Men's Fastball League tournament just for the league in Calahoo May 17 - 18.

SUNBURST BASEBALL LEAGUE

The 120 player, seven team Sunburst Baseball League commences May 13 with a 22 game schedule. Teams are the St. Albert Saints, the Edmonton Cardinals, the Edmonton A's, Blue Willow Junior Angels, Edmonton Junior Tigers, Camrose Cubs and the Fort Saskatchewan Red Socks. For more information, interested players and supporters should call Art Rechlo at 458-1617.

SOCCER

Soccer looks as if it has got off to a good start in the area. Ten St. Albert teams started playing in the EMSOC league last week including two mini-mite teams, two mites, two peewee, three bantam and one midget.

About 600 players have registered in the 44 team St. Albert house league including eight girls teams and games are already underway this week.

League statistics should

soon be rolling in as the season progresses said Gordon Beckwith the director of the Hercules Soccer League this week.

Included in the league apart from the girls team are 12 mini-mite teams, 10 mites, 10 peewee, three bantam, and one midget.

HERCULES GIRLS SOFTBALL

Girls softball has already seen some action with the league activities beginning last Thursday. One hundred and ninety girls have registered for 13 teams. Games are played Tuesday and Thursday nights in St. Albert.

Following are results of last week's play. League statistics will be supplied when more games have been played.

In the older girls division the Warriors beat the Dairy Queen 13 - 12 and the Steelers swamped Pro-Western Plastics 25-3. In the eight to 11 year old division the Road Runners beat the Blue Speeders 27-17. Team three had the measure of the Hot Seat by 21 to 13. The Super Sluggers beat the Champs 26 - 8 and for teams

five and six there was no report. One team from the league got a bye.

A league official wished to express thanks to the sponsors of the girls. They are the Dairy Queen, Pro-Western Plastics, A & H Steel for the Steelers, WestCon for the Warriors and the Fire Department sponsored the team with the bye.

There was no report to hand this week for progress with Lacrosse registrations and teams, but this should be available later.

In other sports, the Parkland Umpires Association will be holding an umpires clinic May 11 at 9 a.m., in the Spruce Grove Arena. For

more information on this phone - Stu Fisk, 899-3389.

*** **

Referees and coaches are needed for the Mite House League Soccer Division in St. Albert.

Two coaches are definitely needed says Hercules Soccer president Tony Holden to give a boost to the league's partial helpers.

Mr. Holden also says that referees 13 years old and up are needed to look after the 34 teams in the league.

Anyone wishing to get more information on mite coaching should contact Gordon Beckwith at 458-0100, and Tony Holden at 459-8469 for more on refereeing.

Midgets Rep Club calls meeting to plan next year

St. Albert's midget hockey representative club -- the Sportshop Barons -- have called a team meeting for Monday, May 12 at 8:30 p.m. at the Grandin Clubhouse to discuss hockey operations for the 1975-76 season.

The Barons are inviting all midget age players interested in playing for the club to attend the meeting, as well

as parents of the players.

The meeting has been called by coach Doug McConachie to discuss fund raising projects and to discuss early season practices for September and October.

1976 PROVINCIALS

The Barons intend to enter the provincial Wrigley midget championships scheduled for Calgary in January, 1976, and as such need to arrange for extra practice times and games.

QUEBEC TOUR

The Barons also expect to be in the Central Alberta Hockey League for the 1975-76 season, and are tentatively planning an exhibition hockey tour to Quebec for February.

The Barons will need to raise at least \$1,000 to cover ice rentals for September and October.

The actual representative team for St. Albert won't be chosen until the Kinsmen registrations in October, but through tryouts in early September, the Barons ex-

pect to have a nucleus of players to build a challenger for the provincial championship.

Last year's Barons players have been invited to the club meeting, and invitations are being extended to any player who played houseleague midget hockey during the 1974-1975 season, along with any graduating bantam hockey players.

POSITIONS COMPETITIVE

Coach McConachie stresses all positions on the club are open for competition, and players from last year's club, which won their zone championship, are not guaranteed a position on this year's club.

The Barons intend to sponsor a number of fund raising projects during the summer months in efforts to raise money for ice rentals, as well as build for their Quebec trip, which would include games in Montreal, Quebec City, and Sherbrooke.

McConachie says some players who contribute during the summer months to raising funds for the Barons, and then do not make the club, will also be permitted to make the trip to Quebec.

A system will be worked out, he said, to ensure that at least two and perhaps three youngsters who are involved in ticket sales and other fund raising ideas, get to make the trip.

McConachie says he would particularly appreciate it if fathers of the players would attend the meeting.

PRO-ATHLETES IN ACTION WEEK

MAY 25-30

Beginning Sunday, May 25, more than 25 professional football stars will be appearing in Edmonton schools, churches and service clubs to demonstrate their sport and witness for Christ.

CFL greats: Gerry Organ - Ottawa Rough Riders, Garry Lefebvre - Edmonton Eskimos, and Gordy Barwell - Saskatchewan Roughriders, will be participating in sports events with well known NFL players such as Mike McCoy of the Green Bay Packers and Norm Evans of the Miami Dolphins.

Highlighting the week will be a flag football game between the CFL and NFL players.

Don't miss this **first ever** event at the Edmonton Coliseum, Friday, May 30, 1975

Tickets on sale at all Coliseum ticket outlets

Kryskow hockey school set for August in Morinville

The Dave Kryskow hockey school will be held from August 11 to August 30 in Morinville. Dave, who is now with the Detroit Red Wings has instructed hockey schools in St. Paul and Edmonton the past two years with Ken Brown and Bruce MacGregor.

The school is sponsored by the Central Sturgeon Agricultural Society, and will have three - one week - sessions. Age limits are from 7 to 18 years with limited classes for personalized instruction. Boys must provide all their own equipment. Two hours of ice time per day, and the boys will be grouped according to age, size and ability.

Tuition fees are only \$50. per session. This fee includes medical coverage for each boy per session.

Group lockers will also be supplied. All application forms and deposits must be in by June 1st, 1975.

Instructors are Dave Kryskow of the Detroit Red Wings, Yvon Bilodeau of the Dayton Gems and Greg Joly of Washington Capitals, plus other W.H.A. and N.H.L. players.

Support this worthwhile venture, as it is a wonderful experience for any youngster who enjoys the games.

Proceeds go to the Central Sturgeon Ag. Society to help pay for the new multi use facility.

Simpson school report

There's only six weeks of school left for this year and everybody is looking forward to summer holidays.

GRADUATION
On June 24 there will be the year end dance with Freeflight playing from 7:30-10. The graduation dinner and dance will be June 12 and all the Grade 9's are

looking forward to the big event. The band will be "Moonshine." Money raising activities are being planned such as the car wash on Saturday, May 24 from 10

a.m. - 3:30 p.m., at the Sir George Simpson parking lot. Cars will be washed and vacuumed thoroughly for the low price of \$1.50. Everyone is urged to come out and

have their car washed. If the weather prevents the car wash from taking place it will be held the following Saturday, May 31.

BAND PLACES SECOND

Going back in time, April 4 was an exciting day for the Simpson Honour Band when they competed in the Kiwanis Music Festival and took second place.

DRAMA GROUP WIN

On April 18, 48 Simpson

students travelled to Bonnyville to compete in the Zone 11 East drama festival. The play was "John Aster's Mission," with Ed Gulberg starring as John Aster, S. Jensen and D. Ingram led them to victory when they won first place for the third consecutive year.

In badminton Simpson finished first over Lorne Akins and Father Jan.

Simpson is worried about their foster child Phu, as no one knows what will happen to him because of the Vietnamese war.

District 6 hears sports proposal for summer time

Mr. Zane Jakubec, a teacher in the Edmonton school system and a resident of St. Albert, attended the District 6 board meeting on Wednesday to present a proposal for a summer sports program. Mr. Jakubec ex-

plained that the program would be a non-profit program in which school facilities would be used to teach sports and arts and crafts to the students of St. Albert during the summer months. Mr. Jakubec said that

highly qualified personnel would provide instruction for a nominal fee. Apparently, this type of program has been successfully operated in Edmonton for a number of years. Activities suggested by Mr. Jakubec include the following: basketball, soccer, volleyball, football, baseball, dancing, badminton, canoeing, gymnastics, and arts and crafts.

The program would be financed by the students who

would pay \$15 for a two week course of lessons and a minimum of 20 students per session would be necessary to make it economical. Instructors would get in the area of \$11 an hour.

District 6 Chairman Bill Webber moved that the Central Office investigate the liability and administration aspects of the proposal and report the findings to the board.

Value of Play topic of guest at kindergarten

The St. Albert Parish Kindergarten has invited Mrs. N. J. Heine, early childhood consultant with Alberta Recreation, Parks and Wildlife, to speak to the parents of the children enrolled in the kindergarten this term and the 1975/76 term.

This talk will take place at Vital Grandin School at 8 p.m. on Wednesday, May 14. Mrs. Heine will speak on "The Value of Play in the Lives of young children" and "Play ideas that can be incorporated into programs for young children." Mrs. Heine will also show a very excellent film "The Serious Business of Play."

The entire program will last approximately 1½ hours

Coffee will be served. Parents are cordially invited and those who have friends who would be interested in this program, please bring them along.

AROUND TOWN

The Daffodil Day campaign in aid of cancer research was highly successful this year, netting \$556.65. This was about \$130 more than was raised last year according to the co-ordinator Mrs. D. S. Odinga. Twenty-three volunteers offered the daffodils in the downtown area and the shopping plazas on April 5 and they were again assisted by Dave Johnston of Johnston's Meat Enterprises who each year supports the campaign by storing the flowers and providing a distribution centre. The public accept a daffodil for whatever contribution they care to make, and Mrs. Odinga, who has organized it for the past five years, is delighted with the support of local people who made this year's increase possible.

Crafts Guild offers spinning workshop

The St. Albert Arts and Crafts Guild is offering a spinning workshop, under the leadership of well known weaving artist Pirkko Karvonen, May 10 and 11, 9 a.m. - 4 p.m. each day. This weekend workshop will be held at the Mission Club-

house, the registration fee of \$10 covers supplies. Some spinning wheels will be available; however, workshop participants who have spinning wheels should bring them. Later this year in the fall a dyeing workshop will be held in conjunction with

this spinning workshop. For further information or registration call Lois Folkins at 459-7344.

The Arts and Crafts Guild will be holding its annual election of board members at the general meeting in June.

The board is a "working" board, and the volunteer positions offer people interested in the Guild a chance to become actively involved in all the activities of the Guild. This is a particularly exciting time to be involved with the Guild as

its activities are rapidly expanding to meet the growing demands of the town. Those interested in running for election are

invited to contact Karen Grant, nominating committee chairman, at 459-8524 or any other present board member.

Outdoors unlittered

Three local schools and a young people's group have responded to an offer of free garbage bags made by Outdoors Unlittered and Environment Alberta. Garbage bags are to be used for community clean-up projects during Anti-Litter Week May

5 - 11.

Nearly 200 schools, towns, young people's groups and service clubs across the province have also responded to the offer.

Garbage bags requests have come from the Gibbons Cub Pack, the Father Jan

School, Robert Rundle Elementary and the Vital Grandin School of St. Albert.

36,844 bags have now been distributed throughout Alberta with the exception of Calgary where an additional 10,000 bags were made available by Shell Canada

Ltd.

The response was overwhelming a spokesman for Outdoors Unlittered said.

This is the first time that garbage bags have been made available for community clean-up projects during Anti-Litter Week.

Math Festival

Edmonton's third annual Math Festival gets underway May 10 at the Ross Sheppard Composite High School and

is open to grades four to nine students in this area.

The Math Festival is a project undertaken by a

volunteer group of teachers under the auspices of two Edmonton school boards to encourage students of all levels of ability to take part in math activities.

Prime aim of the festival will be to promote student and public interest in mathematics. The festival is also being held with the thought in mind that we are now slowly converting to the metric system.

The festival will consist of two major sections, a competition for students to exhibit math projects from grades 4 - 9 and also a mathematical

carnival for grades 4 - 6. This is open to the public for viewing and taking part without charge.

If you require more information on this, contact Gloria Hendel 484-4319 (school), 476-4678 (residence) or Diana Davidiuk 455-8884 (school), 482-1175 (residence).

Calgary Horse Show will offer highest prize money in its history

The annual Calgary International Horse Show comes to the Stampede Corral from May 6 - 10 and will offer the highest prize money in the history of the show.

Some 500 competitors and over 1,000 horses will be in the running for \$36,000 during the event.

The Open Jumper Section of the show will have \$17,000

in prize money and will feature the \$10,000 Rothman's Jumping Stake, the \$5,000 Atco Stake and the \$2,000 Canadian Schenley Jumping Stake.

Among the 19 entrants in the Open Jumping competition are nine internationally recognized riders including former Calgarian Barbara Kerr and Norma Myers

Chornawka of Midnapore.

Large purses will also be offered in the Western events section featuring the Woodward's International Cutting Horse competition which will see contestants competing for \$3,200 and will feature three of the top four cutting horses in the world in the field.

"We have one of the largest halter classes including Quarter Horses, Thoroughbreds, Appaloosas, Arabians, Morgans and Welsh Ponies," Charles Robertson, chairman of the show committee said. This event will be held in the North Pavilion of the Agriculture Building in Stampede Park on Tuesday, May 6 and Wednesday, May 7 and will be free to the public.

An added attraction at this year's show will be the trick riding abilities of the Flying Duce Sisters who will perform each evening of the show as well as Saturday afternoon.

The show will run each day from Tuesday, May 6 through Saturday, May 10 commencing at 8 a.m. The afternoon performance will go each day at 1 p.m., with the featured evening performance commencing 7:45 p.m. There will also be events taking place on Monday, May 5 and Sunday, May 11 with no charge for admission on either of those days.

Tickets for the show are available at the Corral Box Office, the Bay Ticket Wickets, the Chinook Ticketorium and the North Hill Ticket Centre. Reserved seat prices for the show are \$3 and \$8 with general admission for afternoon performances priced at \$1 for adults and 50 cents for youths 16 and under.

reintroduces
Sunday 50
rates

Alberta Government Telephones has announced re-introduction of Sunday 50 rates on May 4, following conclusion of a trial program called Weekend 50.

With return to the Sunday 50 program regular rates will again be in effect on Saturday. However, on Sundays customers may direct dial to anyone in Alberta for 50c or less for the first three minutes. This rate will apply from midnight on Saturdays to 6 a.m., Mondays for Direct Distance Dialed calls only.

Telephone customers who do not yet have Direct Distance Dialing may obtain the same low rates on operator handled station to station calls only.

Beware the fellow who reminds you that you must take it with you. He will try to take it with him.

New insurance firm offers complete coverage

Forrest Insurance Services Ltd., located on St. Anne Street in the Credit Union building, reports that it can supply insurance of all classes. Formerly Langevin Insurance Limited, the firm changed hands on April 1 when it was purchased by Mr. Don Forrest.

Forrest Insurance Services can deliver insurance of all types: fire, auto, liability, bonds, personal and commercial lines, farm, life insurance programming, group coverages, retirement savings plans and personal life insurance needs.

"As general insurance

agents," Mr. Forrest states, "we can act as a complete insurance service - from commercial lines to life insurance - and keep our eyes open for the most sensible rates for our client."

Mr. Forrest stresses that the firm strives for personalized attention for its clientele. He notes that he is not averse to going to a client's home to discuss insurance needs.

Yvette Coulling of the F.I.S. staff is also a licensed general agent and has been with the firm since mid-1972. She has a good under-

standing of insurance needs as required in St. Albert.

"Our leading companies include such reputable firms as Allstate, Prudential, Smeitzers, Butler and Stewart, and many others," says Mr. Forrest. "Our life insurance affiliation is with Crown Life."

"More and more people are turning to a general agent for insurance," notes Don, "rather than dealing with several different agents. He feels that this is the case because people prefer to see the same individual regarding all their insurance matters."

A ST. ALBERT FIRM

Mr. Forrest also stresses that FIS is a St. Albert owned and operated firm with several years of service in the town. Don Forrest has been living in the town for about 10 years, and he and his wife Marie have two children, Ken (four years old) and Sandra (15 months).

Don reports that his son Ken seems anxious to follow in his footsteps in the insurance business and has been known to advise a four year old friends in the neighborhood to go to see his daddy for insurance policies.

Don Forrest (centre), Evette Coulling (left), and Patricia Brodeur (right) are the staff of Forrest Insurance Services Ltd., on St. Anne Street. They are all residents of the town. Don has been in St. Albert for about 10 years, Evette has been here since mid-1971, and Pat was at one time with Pitch and Spice.

Sticky drop for 900 paratroopers

Nine hundred paratroopers from the city-based Canadian Airborne Regiment will jump into the Athabasca tar sands 300 miles north of Edmonton this month to kick off a three week guerrilla-warfare exercise.

In all, 1200 soldiers and airmen from Alberta and eastern Canada will take part in exercise Ready Now IV, May 4 - 25.

Three mass parachute drops each of 300 men plus guns, vehicles and equipment will jump from formations of 12 Hercules transports to start the "battle" on May 6, 7, 8. This will be one of the largest tactical peacetime parachute drops in Canada in recent years.

Ready Now IV is designed to practise the Canadian Airborne Regiment in its defence of Canada role. The paratroopers have to locate and capture or destroy a 100-man "enemy" force supposedly disrupting communications in the area from Fort McMurray north 140 miles to Fort Chipewyan.

The tar sands area was selected because it was the most suitable sparsely-populated region within easy air distance from Edmonton. A similar exercise was held in Whitehorse last May.

Units will practise patrolling, helicopter and parachute assaults, protection of key installations, ambushes, and airfield maintenance procedures.

Airborne engineers will

bridge and raft men and vehicles across the MacKay and Athabasca rivers if ice conditions permit.

Scores of volunteer partisans from the Fort McMurray - Fort MacKay - Fort Chipewyan area are expected to assist the enemy force by passing messages, and smuggling supplies when needed.

Sturgeon Regional Recreation Report

NAMAO

On Monday, May 12, Mrs. Pat Doerksen, district home economist for Sturgeon will be one of the guests at the fitness and self improvement course. Pat will be stressing the importance of good nutrition and regular exercise and will also talk about diets, tips on dieting and how to maintain weight. An exercise session will also be included. Class starts at 7:15 p.m. A film will also be included.

BIKING CLINIC

The Alberta Bicycle Association and the Alberta Department of Recreation, Parks and Wildlife will be sponsoring a provincial bicycling official's clinic. The clinic will be held in Calgary on May 30 - June 1, 1975. The purpose is to encourage the growth of bicycle clubs in the province, and develop officials with international standards for local bicycling events and future games competitions; eg. 1978 Commonwealth Games in Edmonton. This clinic is open to anyone wishing to develop

organized cycling in their community. For more information contact the Sturgeon Regional Recreation office at 939-4317.

WATER SKI CLINIC

The Alberta Region of the Canadian Water Ski Association will be conducting a travelling water ski clinic. The clinic will commence on a weekend basis until July 1, 1975. When the clinic will operate full time. To host a clinic in the Sturgeon area we will require at least 15 or more students. If you are interested in participating in

the clinic please phone the Sturgeon Regional Recreation office at 939-4316, or for more information 939-4317.

NEW STAFF SENIOR CITIZENS SUMMER PROGRAM

Three years have passed since we first instituted the idea of Senior Citizens recreation work and I am pleased to be assisting Senior Citizens groups once again this summer.

Along with each club I will be at your disposal in organizing summer activities from May to August.

I would also like to urge all Senior Citizens to not forget to carefully consider the trip to Quebec proposed for July 16 - 26. If we cannot find 30 people that wish to go on this trip, then this trip will not go. Please feel free to contact me if you have any questions concerning this trip.

All Senior Citizens in the Sturgeon area are invited to a slide presentation which will be given by Neil Parker on Tuesday, May 13 at 8 p.m., in the Sturgeon Regional Recreation office in Morinville.

Please feel free to contact me at 939-4317 or 939-4318 or drop in at the office if you have any further questions you would like to have answered.

Marjolaine Chamberland.

SPECIAL EVENTS - PLAYGROUND SUPERVISOR

Janet Sherstabetoff of Edmonton has been hired to fill the position of special events co-ordinator and playground supervisor. She is entering her fourth year at the University of Alberta in recreation administration. Prior to this she has worked for Edmonton Parks and Recreation on playgrounds and as an instructor of childrens programs. Janet is currently working on "Rec Fest 75," Sturgeon Regional Recreation Festival which will be held in Namao on June 7 and 8, and the playground leaders in-service training session to be held in Morinville from June 23 - June 27. Call Janet at 939-4317 for information about Rec Fest and playgrounds.

for children and to assist in recruiting a competent camp staff will gain a new understanding and respect for themselves, other people, and the out of doors. This camping experience will not only be one of learning but a "fun" experience as well.

For further information I can be contacted at 939-4317 or 939-4318.

Hope to see you soon.

Debbie Uehach.

Bon Accord council plans sewage facilities, growth

Mr. S. Cartwright, head of Field Services, Alberta Building Standards Branch met with council at the meeting held April 21, to discuss the Alberta Uniform Building Standards Act and pursuant regulations. A bylaw to enforce these regulations will be passed by council in the near future after which time it will be necessary for the Village to issue another building permit in addition to the one relating to the zoning bylaw.

A model Disaster Services Bylaw was also read and discussed. This was then turned over to Councillor Mansfield for further study.

Authorization was given to the Regional Recreation Board to proceed with an application to the STEP program on behalf of the village. Funds obtained through this program will support playground activities during July and August.

Representatives from the Growth Studies Branch of the Edmonton Regional Planning Commission have been invited to the June meeting of council to continue their discussion on future growth for the surrounding area.

LAGOON STUDY

W. J. Franel and Associates, village engineers, have been given authority to proceed with an in-depth study relating to new sewage lagoon facilities for the village as the standard of the present lagoon is no longer acceptable to the Dept. of the Environment.

In answer to a request from Mrs. Janice McDonald, div. officer St. John Ambulance Service, another emergency telephone will be installed in the village at the home of Mrs. Lynn Kowalchuk. This will bring the number of emergency phones to five.

Minutes of the annual village meeting were read and discussed at the meeting held April 23.

Following directions given by residents at this meeting, council has now made application for a full Treasury Branch and Liquor Store for the village.

Ways to improve safety on Highway #28 past the village were discussed among council. Councillor Mansfield was then asked to take the suggestions coming out of the discussion to the Dept. of Highways for their consideration.

The Standby Unit for the No. 1 Lift Station came up for discussion again. In view of the fact that the cost of this unit is thought to be in excess of \$5,000 it was decided to include this item with the sewage upgrading program.

Flushing of both water and sewer mains is being considered as an extra project for the current year.

PUBLIC WORKS

At the conclusion of the meeting J. George, maintenance foreman gave a list of public works items which he recommended for attention this year. Repairs and alteration to the well pumps was included in this list, but due to recent problems encountered, these changes have now been carried out. The pumping capacity at the operating wells is now 80 gallons per minute to the reservoir.

We are still awaiting results of well tests conducted earlier in the year by the Water Resources Branch.

Work on the Administration Building and Fire Hall is progressing very well and the project is expected to be complete by the end of May.

NOTE

The regular May meeting of council will be held Tuesday, May 20 instead of Monday, May 19 which is the Victoria Day holiday.

Barley Growers:
Now, more than ever before, every extra bushel counts in market profits!

This year, don't let wild oats rob you of those profits. Give them a knock-out punch with **AVENGE® Wild Oat Herbicide!**

AVENGE® for Control of Wild Oats in Barley
Even light infestations of 1-10 wild oat plants per square foot may cause severe barley yield losses which, if saved, would more than pay for the cost of control.

AVENGE® 200-C Herbicide gives excellent control of wild oats when applied from the 3-6 leaf stage of the weed — a wide flexibility of timing of application.

So this year start to rid your fields of wild oats. Increase your barley yields and save on dockage at market.

Report From Bon Accord

By Sadie Allen

A dine and dance will be held in the Federah Hall on Saturday, May 10. Tickets are \$8 per couple and may be obtained from Elsie Reifink, 939-2393 or Karen Luckha, 921-2407.

KINDERGARTEN REGISTRATION

Attention - Parents of children who will be 4½ years old by September, 1975 are invited to attend a meeting in the Library of the Bon Accord school on Wednesday, June 4 at 8 p.m. Children for the fall kindergarten will be registered at this meeting. General information and answers to questions you may have will be supplied. There is a keen interest in the kindergarten class for the fall with 29 children already listed. A minimum of 35 is required to guarantee two classes. A good registration will ensure better facilities and working equipment as grants for the government-sponsored program are based on the number of children participating. The kindergarten program offered by Bon

Accord in the 74/75 year was one of the few in Sturgeon which met all the qualifications required by the department, and hopefully this will be an even better year with the benefit gained from last year's experience. Please pass the word along to your neighbor. Further information may be obtained from June Serediak, 921-3589.

Anglican Church confirmation classes are now being held with confirmation to be held in September. Anyone interested may contact Rev. Tom McKnight, 476-5715 or Doris Carleton, 921-3686.

There will be no service held at Holy Trinity on Sunday, May 11. A joint service in honour of Mother's Day will be held at M.E. Lazier with tea to follow in the school cafeteria on May 11 at 11 a.m. You are cordially invited to attend.

LADIES SOCCER

Considerable interest is being shown in a ladies soccer team for the fall season. Anyone interested

may call Diane Hartlet, 921-3512. At the same time the ladies are issuing a challenge to surrounding districts to come up with some opposition.

SENIORS

A reminder that senior citizens will be playing whist on Tuesday, May 13 with the games to get underway at 2:30 sharp. Come and bring a friend.

The 4H Food Club will hold Achievement Day on Saturday, May 10 at 2 p.m. in the Bon Accord Community Centre. You are cordially invited to attend. Lunch will be served.

Anglican Church Women will meet at the home of Mrs. Jack Milligan on Wednesday, May 14 in the afternoon. An invitation is extended to all interested in the Anglican Church.

SOFTBALL

Softball got underway this past week with games sched-

uled for Mondays and Thursdays for girls from 10 and under up to 18. Juniors (Gail's Girls) will be in the city league and all games will be played at Clarke Stadium beginning on May 20. The senior ladies league gets underway on May 20 with Bon Accord at Horse Hills and Lamont at Bon Accord on May 22. Games are scheduled for 7 p.m. Eight and under girls are not entered in a league but will be playing exhibition games. They are being coached by Sharon Hill and Val Yutton. Coaching 10 and under girls are Ron and Bobbie Yost, telephone contact is Carol Rivet as Ron and Bobbie have no telephone as yet. Linda Adams and Linda Fearley are coaching 12 and under. Doreen Hewitt and Helen McKenzie the 14 and under and Keith Whitson, 16 and under.

BASEBALL

Boys baseball is scheduled for Tuesdays and Fridays. There are two mini-mite teams for T-ball. Coaches are Dale O'Brien and Ken Schneider. Mites (10 and under) are being coached by Irwin Strawson. Pee Wees by Roy Malanchen and Myron Schneider. Bantams by Jim Draper and Midgets by Albert Hewitt. Most of the coaches welcome assistance. If you are interested, contact the one of your choice. The senior mens' league gets underway on May 25. Teams involved in the league this

year are Morinville, Vimy, Legal, Rochester, Linnaria, Westlock and Bon Accord.

Ladies Community Club meet at the home of Linda Johnson on Wednesday, May 14. New members are always welcome.

The bingo jackpot was not won and will be \$275 in 57 numbers on Sunday, May 11. Bonanza winner was Janet Spencer. Betty West and Helen Tomlinson split the jackpot consolation.

CUBS AND SCOUTS

Cubs and Scouts enjoyed an exciting outing on Saturday, May 3, travelling by train to Edmonton from Bon Accord followed by a weiner

roast in Mayfair Park. Thanks are extended to the N.A.H. to the leaders of the boys' groups and to the moms and dads who helped to make the day a great success.

Brownie and Guide cookie day was held on Saturday, May 3. Thanks are extended to all who purchased cookies. Anyone missed may contact Mrs. Cathie Meyer. A special thank you to Mrs. Kulay, Mrs. McKenzie, Mr. Hartley and Mrs. Maureen New for driving.

A miscellaneous shower is being held in the Community Hall in honour of Mrs. Helen Mitchell (nee Riechy) on Monday, May 12. Everyone welcome, please bring lunch.

Brownies, Guides entertain mothers

On Friday, May 2, the Bon Accord Brownies and Guides held their annual mother-daughter banquet in the Community Hall.

The flags of the colour party were received by Mrs. Ilse Parham. The Canada flag carrier and guards were: Michelle Donaghu, Sandra Lehman and Kelly Webster. For the World Flag they were: Wendy Lewis, Susan Moore and Lori Gorringer. For the Brownie Flag they were Kelly Hetman, Tracy Pederson and Dawn Samis. Following O'Canada, grace was said by Rev. Black. The Toast to the Queen was by Patti Milligan.

Following a very delicious meal the head table was introduced by Mistress of Ceremonies, Mrs. Ann Anderson. Attending were: Mrs. Isabel Gauthier (guest speaker); Mrs. Helen Lesyshen - division commissioner;

Mrs. Donna Gorringer - district commissioner and Guide captain; Mrs. Evelyn Fraser - area camp advisor; Mrs. Ilse Parham - division camp advisor; Mr. and Mrs. L. Fleming - Cub and Scout representative; Rev. Black. Then the brownies and guides each introduced themselves, their mothers and their guests. Guest Testers attending were Mrs. J. Serediak, Mrs. P. Mansfield, Mrs. M. Nicholson, Mrs. Jenny Malanchen, Miss C. Lesyshen, Mrs. C. Lewis and Mr. Tex Yerex.

The Toast to the Mothers was said by Sue Ann Hartley. The reply was given by Mrs. Diane Hartley. The Toast to the Daughters was by Mrs. Gladys Campbell. The Toast to the Guides was by Cathy Malanchen and was followed by Cathy presenting a small gift to Mrs. Lesyshen; Cry-

stal Moore to Mrs. Parham; Debbie McBride to Mrs. Gorringer and Trisha McKenzie to Mrs. Fraser.

PRESENTATIONS

Special presentations of Blue Thanks Badges were made to Mrs. Ishbel Moore and Mrs. E. Malanchen who have been in this L.A. for the past five years. Earlier, at the division banquet held at Redwater, Mrs. V. Kushak received a Blue Thanks Badge and to be presented later, a Blue Thanks Badge will be presented to Mrs. Roseann Lewis. These ladies also have served for five years.

The Community Centre representative Mrs. D. Hewitt was presented with a token of our appreciation for the use of the hall for the past year by Maureen Hewitt.

Retiring President Mrs. Darlene Lehman was presented with a gift by Sandra Lehman. For helping us out for the evening gifts were presented to Mrs. M. Kryskow by Valerie Millwood and to Karen Kryskow by Wendy Fenwick. Lianna Kulay presented a gift from the girls to Mrs. Helen Lesyshen. All the executive for the past year were presented with gifts also. They were - Cindy Fenwick (pres.); Arlene Schiffrer (sec.); Elen Malanchen (treas.); and Kit Millwood (badge sec.).

Mrs. Isabel Gauthier showed us some slides she had taken when she had visited the Girl Guide Cabana in Mexico. She also had brought along an assortment of souvenirs that she had gathered while there. It was very interesting. Karen Berke presented Mrs. Gauthier with a small gift in appreciation for coming to our banquet.

Legal Locals

By Lucienne Montpetit

The Brownies will have a Mother's Day bazaar on May 10 at the Rec. Centre from 2-4 p.m. The brownies will serve coffee and cookies. Proceeds for the Mother's Local.

Mr. and Mrs. Leo Charrois are happy to announce the

engagement of their son Guy to Debbie Grenier. Debbie is the daughter of Mrs. Bjorj from Spruce Grove.

Sincere condolences to Mrs. Meysenbourg upon the loss of her husband John, also to Mrs. Paul Chauvet who is mourning the loss of her brother Lucien who

passed away on April 30.

A warm and hearty welcome to Mr. and Mrs. Real Desrochers who have purchased Leon St. Martin's residence, also to Mr. and Mrs. Amedee Gagne who purchased Andre Pelletier's house. We hope you will enjoy living in our commu-

ity.

The Knights of Columbus will have a communion breakfast with their wives on May 11, at the Rec. Centre after the 10:30 mass. "Ladies it's Mother's Day and the men are preparing and serving breakfast," come and enjoy it.

Get well wishes are extended to Stephen Payne who is a patient in the hospital.

Soiree Francaise to be held on May 14 at the school gym

at 8 p.m. Pupils from all grades taking oral french or advance french will participate. Come and encourage your children by being there. It promises to be an interesting evening, don't miss it.

For those interested in beef production

If you are interested in beef production, but were not able to attend the Alberta Cattlemen's short course at the end of last year, you can get a copy of the excellent papers given on the theme "Land Use and Beef Production for a Changing Market" from the University of Alberta.

Among the well known authorities who gave papers were Dr. Gene Putrell, an extension economist from Iowa State University, Dr. J. A. Robertson of Agriculture Canada's research station at Melfort, Saskatchewan; George Jones of Stewart and Son Ltd., in Ontario; and Dr. Michael Pried of Australia.

Topics discussed at the short course included "Land Use Planning," "Public Policy - Land Use," "Range Nutrition," "The Potential of Corn as Feed," and "Cross Breeding Programs."

Copies of these papers can be obtained from: The University of Alberta Bookstore, Students' Union Building, 114 Street and 89 Avenue, Edmonton, Alberta. The charge is \$5.

Legal oldtimer dies

By Lucienne Montpetit

Mr. John Meysenbourg, a long time resident of Legal passed away on April 27 at the age of 80 years.

Mr. Meysenbourg was born in Luxembourg and he came to Canada with his wife in 1925. They had left their young son Marcel with his parents till they had settled down. John returned to get him five years later.

He worked in a lumber camp to save enough money to put a down payment on land. After one year he had saved \$170., enough for his payment and he bought a farm west of Legal. He was predeceased by his first wife Angele in 1943 and his son Marcel in 1944. He married Mrs. Leonie Bouchard in 1944. She had three sons from her previous marriage. Father Albert Bouchard, Gerard and Henri all living in the Peace River district. They farmed in the district till they retired and moved in the village in 1965. Living with Leonie for 30 years she passed away in 1973 and he married Mrs. Bissonnette celebrated the funeral mass on April 30. He leaves to mourn his wife Mary Catherine, four stepsons and four stepdaughters, John Richard, Edmonton; Louis Richard, Plamondon; George Richard, Fort Saskatchewan and Philippe Richard, Fort McMurray. Mrs. Octavia Clouthier, Legal; Mrs. May Bourassa and Mrs. Christella Plamondon.

don; both from Plamondon. Mrs. Theresa Klein, Regina; a sister in Luxembourg and a sister in Illinois.

It's the buying season: equipment, seed, fertilizer, and the variety of other products and necessities you need to operate your farm efficiently and profitably.

It's the planning season when you need a clear picture of your financial position in terms of both assets and requirements.

It's the time of year you should certainly talk to your Toronto Dominion Bank Manager about TD Farm-Pac.

TD Farm-Pac has available the financial services you need, including line-of-credit financing, a variety of specialized farm loans to meet your specific needs, plus low cost farm loan insurance. And TD Farm-Pac's cash flow analysis will assist you to make sound decisions on your financial requirements.

Stop by your local TD Branch and talk over TD Farm-Pac with the Manager. He has all the information you'll need and it's nice to know that he's backed up by a staff of trained Agrolgists to deal with specially troublesome planning or financing problems.

TD Farm-Pac—we talk agriculture for planning this year's profits.

MORINVILLE MEMOS

By Marg Bentz

The generation gap will be down to four feet this year at Morinville's Frontier Daze (June 21 and 22) when the adults dance to "Sound Investment" in the arena while the teens swing to "Privilege" in the new curling club. \$2.50 will pay admission into either or both dances for those who can bridge the generation gap Saturday evening, June 21.

This year one dollar will get those over 12 into the grounds, while those that

age and under will get in free. Gate attractions will be the gate prize of 100 silver dollars and the demolition derby. (1st prize, \$100 cash and trophy). Two raffles will also be held, one featuring a \$250 cash prize and the other a prime steer donated by the Morinville Auction Mart.

Friday, May 2 the Old-timers hockey club held their wind-up party at the Legion Hall. The party was open to all team members and sponsors.

Sponsors in attendance were: Jim and Helen Rousseau (Jim Rousseau Trucking), Ford and Jean Vermyne (Ford's Tire Shop), Martin and Carol McElroy (G.F.M. Construction, St. Albert). Special thanks to Moe Touchette for his time and effort in organizing and promoting older hockey.

Anyone interested in curling next fall please get your names in soon; as outside rinks are already inquiring.

Call Ross Quinn 939-4217 or Ed Kryskow 939-4243.

Minor baseball is getting underway. Coaches, trainers, managers, umpires and players are still required, so moms, dads, uncles, if you see your job described above please contact Doug Ramer 939-4565. Midget age boys contact Al Bentz, Ernie Brisson or Doug Ramer, as an attempt is being made to field an entry in the city league.

A grant of \$2,000 was received from the Dept. of Culture for the placing of cement bases under all headstones and plaques in the Morinville Cemetery. The remainder of the cost (estimated at \$6,000) will be offset by donations made by the relatives of those interred. (\$250 per grave).

There will be a Mother's Day breakfast on May 11 after the 9 a.m. and 10:30 a.m. masses. The husbands will be doing the cooking. Free mom from the kitchen and come on out!

attend that applications must be in by June 1st.

The Morinville Tiny Tots are looking for a playschool teacher. Interested parties apply to Claudia Lansink, Box 207, or phone 939-4883.

A general meeting will be held for Morinville Tiny Tots on May 7 at 8 p.m., at the Recreation Centre. All mothers who wish to register their children for the fall please attend. A general election will also take place.

SENIOR CITIZENS

A bingo and whist drive will be held on Friday, May 9 for the Senior Citizens at the Rendezvous Club. Dessert will be special strawberry shortcake.

Readers co-operation in telephoning or bringing news items is much appreciated, and as early in the week as possible. Please phone 939-4145, or drop off at 9901 - 99 Avenue (one block east of Butl's Auto Body).

Morinville wins round one in growth battle

The Metro Committee of the Edmonton Regional Planning Commission approved a major annexation for Morinville April 30.

The annexation referred to is a 640 acre development

located for the northeast sector of the town by Qualico Developments Limited.

Mayor Art Stapleton of Morinville expressed optimism about the approval by the Metro Commission say-

ing that "We've won round one," and adding that he was trying to get in touch with St. Albert for feedback on the decision. St. Albert council recently took a move against the development sla-

ted for Morinville fearing that it would overload or cause problems for St. Albert's new sewage treatment facilities. Development in Morinville on any grand scale means that that town has to think in terms of a sewer line running south to tie in with the St. Albert facility.

Mayor Stapleton pointed out that the MD of Sturgeon is in favour of the 640 acre annexation at Morinville. He also added that the vote in favour of Morinville's development by the Metro Committee of the ERPC may be endorsed by the meeting of the Commission as a whole May 7.

He said that Morinville must get in touch with St. Albert on the basis of discussions and an agreement with St. Albert on the sewer line going south.

Mayor Stapleton recently expressed his displeasure at the St. Albert town council for going against the annexation in Morinville. Mayor Dick Plain, not available for comment last Friday as he was in Ottawa, has said that the major growth of Morinville will pose several problems for St. Albert in the area of water, sewer and transportation.

high school on March 5. Miss Karen Weston helped the junior students by organizing and supervising 25 hour starve-a-thons for the 32 students from grades 8 to 10 who participated. Miss Renu Khullar spoke at masses of Sunday, March 2 to tell a little of the organization and its goals. The next week Miss Karen Gibault told of what the CCODP has already accomplished, and what it can achieve.

It is fortunate that so many members of our community have now learned more about people in other lands who may not be as lucky as we are, and that they were willing to support our many projects during March. Morinville has reached last years total of \$1400, but only through the kindness of our community.

The elementary school raised \$320.10, an outstanding achievement for the children who so enjoyed working to help others. The senior Students' Union was very generous, and they donated \$100 to the organization. The hot dog dinner brought in another \$46.90, and students who participated in the starve-a-thon raised another \$326.55 through sponsors. All together the collections and donations came to \$1360.91, and the total amount raised for Development and Peace this year was \$2,154.46.

The provincial government will match this amount dollar for dollar, and the federal government will do likewise. So our efforts have been well worthwhile, and over \$8,600 will be sent to help those in need.

Thanks must go to everyone, but special mention should be given to Father Primeau, Miss Karen Weston, the junior Students' Union, the senior Students' Union, all teachers who helped in the schools; and Mrs. Romeo Primeau, Mrs. Roland Ricard, Mrs. Richard Remillard, Miss Karen Gibault, and Miss Renu Khullar who constitute the committee, as well as Mrs. Vince Curtis who was the chairman and the driving force behind Share Lent '75.

Morinville raises \$1200 for Share Lent

Mrs. Vince Curtis, chairman, receives a cheque from Renu Khullar - the profits from the senior high hot dog dinner. Eddy Bulger, president of the Junior Students' Union, presents a cheque to Father Primeau - the funds from the starvathons.

The Morinville committee for Development and Peace had been busy since November preparing for the Share Lent '75 campaign. Both the young members as well as the adults attended meetings and discussed plans with other committees from the surrounding area.

Miss Mary Amerongen, a field worker for the Canadian Catholic organization for Development and Peace, came out to many of the

gatherings to show interesting and informative films and slide presentations. But the real effort took place during Lent. Pop cans were put in many local business places. Children in the elementary school, under the direction of Mrs. Romeo Primeau and other teachers, held a candy sale and a raffle to raise money.

The teens on the committee organized a hot-dog dinner which was held in the

PROPOSED DEVELOPMENT

MUNICIPAL DISTRICT OF STURGEON #90
MORINVILLE, ALBERTA

It is the council's intention to reclassify the following lands from light industrial reserve to light industrial for development purposes as proposed by Black Clawson-Kennedy Ltd., c/o Hilldale Developments Ltd., 1000 Royal Trust Tower, Edmonton Centre, Edmonton, Alberta, for the purpose of a machinery manufacturing plant. The northerly portion of river lots 14 and 16, Fort Saskatchewan settlement.

Persons affected by or objecting to the said proposal may submit in writing to the undersigned the reasons for their objections or views on same on or prior to May 29th, 1975 at 2 p.m.

Houle's in lovely spring wedding

St. John Baptist Catholic Church of Morinville was the scene of a lovely spring wedding, April 19, when Simone Houle, youngest daughter of Mr. and Mrs. Emilien Houle of Westlock,

was united in marriage to Bernard Houle, eldest son of Mr. and Mrs. Hector Houle of Morinville. Rev. Viel performed the ceremony. Mr. Denis Chailfoux presided at the organ as the bride and

groom entered the church with their parents, Mrs. Irma Bulger, cousin of the bride, was soloist for the ceremony.

The bride was lovely in a gown of polyester bridal satin which fell to a long train featuring lace trimmed edges. The bodice, neckline and lily-pink sleeves were also trimmed in lace. Her waist length veil was delicately finished with lace. She carried a bouquet of pink and white roses with ribbon streamers decorated with small roses.

The three bridesmaids Angeline Houle, sister of the groom; Doris Remillard of Kamloops, B.C., and Rita Boucher, both friends of the bride, wore identical floor length gowns of pale blue polyester. The long sleeves and tops of their dresses were finished with pale blue chiffon featuring pink flowers. They wore tiny rosebuds in their hair and carried bouquets of pink and white carnations with ribbon streamers.

The groom wore a tuxedo with white jacket and black bowtie. His boutonniere was a double carnation with two pink rosebuds. Attending the groom were Raymond Belanger, friend of the groom, Armand Montpetit, cousin of the groom, and Don Krauskopf, friend of the groom. Guests were ushered by Raymond Houle, brother of the bride and Bill (Barry) brother-in-law of the groom. Mrs. Emilien Houle, mother of the bride chose a floor length gown of pink chiffon with blue roses on corsage. Mrs. Hector Houle, mother of the groom wore a purple floor length gown of polyester covered with chiffon and yellow roses on corsage.

Following the ceremony, a reception and dance was held in the Morinville Community Centre. The bride's table was centered with a two tiered wedding cake beautifully decorated by Mrs. Wilfred Barry of Legal. The top layer featured a little church top under which a miniature bride and groom stood.

Two separate red carpet stairways flanked with miniature candles led down from the church. Tiny bridesmaids and best men dressed identical to the wedding party stood there. Pink roses and white daisies decorated the cake also.

Mr. Richard Houle, brother of the bride was master of ceremonies and Mr. Armand Houle, also brother of the bride presented the toast. Mr. Maurice Ethier said a few words on behalf of the groom's family. Mrs. Irma Bulger, Mr. Edouard Houle and young Philip LaVallee each dedicated a song to the happy couple.

Mrs. Pauline Regimbald, sister of the bride said a few words about the bride. Mr. Raymond Belanger spoke on behalf of the best men. Mrs. Anna Caron, a dear friend of the bride's family, presented the guests with a bit of humor. Out of town guests were from Kamloops, B.C., Hinton and Drayton Valley. Upon their return from a honeymoon in B.C., the young couple will make their home in Morinville.

Morinville council

By Marg Bentz

A special meeting of Town Council was held on Tuesday, April 29. There was a third and final reading to Bylaw 4/75 for the purpose of controlling dogs and domestic animals within the town. Any person riding a horse can now be fined. Licence fees for domestic animals are higher and fines will be heavier.

There was a presentation of Stage 4 of Forest Glen subdivision. (Creating of 24 single family lots). This plan was brought to council so that it can be registered as quickly as possible, in order

that services be brought to the proposed school site.

It was agreed to reclassify Zone C2 to C1. This allows the construction of office buildings and suites.

The plan submitted by AGT for a buried cable in the town was approved.

There was a preliminary discussion on the requirements of the town for the budget.

It was decided that St. John's Ambulance have their own telephone number, as too many problems would arise from having the same number as the fire department.

Lloyd Majeau drives the Cricket home

By Liz McLeod

Well! Another happy time was spent at Calahoo when on May 3 the supper-dance for the ear raffle became a reality, and wow what a large happy crowd came to see the eye catching attractiveness of this beautiful Calahoo arena, enjoy the delicious meal, and feel the tension

mount as the tickets were being drawn out of the barrel and each one's name called out.

Bob Arnold of CICA was on hand as master of ceremonies and periodically with Erwin Rothweiller and Marcel Kerekhof's help would call out the ticket holders names and staple

them onto the board.

In the interim the crowd was favoured with the very fine singing of two hometown lassies, Vicki Quintal, (Hubert and Dorothy's daughter) and Sharon Anderson, (Norman and Fiete's daughter), whom I'm sure, will go a long way in the musical field.

At 8 p.m. the food was all cleared out of the arena into the concession booth to make way for the dance to follow on a highly polished floor and to the music of Bob Leighton and his Twilighters from CHED.

Since the dance was also open to anyone the ticket booth was manned till 11 p.m., and after this the last 15 tickets were drawn and oh my it was so exciting right up to the last two tickets, and the owners of these were asked to step onto the stage so Ken Harrison and Lloyd Majeau congratulated each other and then the moment of truth arrived and the M.C., congratulated Ken on winning the runner-up prize of \$50 and Lloyd just beamed with pride.

Mr. Millar of Westlock where the purchase of the Cricket was made, was on hand to present the keys to Lloyd and his wife Jill and then after pictures were taken they were privileged to get into their prize and drive back and forth among the cheering crowd estimated at 800.

Now the first ticket out of the hat was owned by Roy Lawrason and his wife from Czar, Alberta, getting the first \$25 prize and a real prize it was, for the ticket was given to them by their daughter, Marge and hubby Ernie Larson of Calahoo.

The others who were lucky winners of \$25 were, Ron Scatterty, Villeneuve; Myles and Daphne Kerr, Bertha Berube, Hubert and Dorothy Quintal of Calahoo; Bert and Helen Galliford, Onoway, Garry Trueman, Stony Plain; Ed Savoie and Merle L'Hirondelle from St. Albert, Fred Barker, Jim Green, Norm Bohl, Marvin Larson, and H. Peet all from Edmonton.

Now we all know that a function of this nature takes

alot of planning and hard work and it's only a very few who seem to rise to the occasion and lend a hand so the majority can benefit and these wonderful people deserve a big bouquet for it just took your breath away as you entered and Calahoo and surrounding districts can be justly proud of this Calahoo arena.

It took three days for Ernie and Marge Larson, Marcel, Louis, Jack and Henry Kerekhof, Joe Schafers, Barry and Michael Schmermund to get everything in order and the effort was so worth-

while after hearing so many compliments in the course of the evening.

Likewise, getting enough food for an approximate 800 takes some ingenuity and we had two very capable ladies heading this list in the persons of Mary Victor and Bun O'Neill and their names were called out and thanked with a resulting ovation.

Just from observing, you could tell everyone seemed to be immensely enjoying themselves so this West Sturgeon Ag. Society's venture can be termed a complete success.

VIMY NEWS

By Darlene Provencal

Mr. and Mrs. Rick Landry and Mr. and Mrs. Claude Huot motored to St. Paul last weekend to attend a play and at the same time visit with Marcel Landry and family.

A speedy recovery is extended to Mr. Stanley Kowalczyk who was in the hospital for several days this week.

Bill St. Arnaud is here again to spend several weeks with his family before going back to his job in Tehran, Iran. Bill keeps busy flying between the continents every five or six weeks. Quite an experience, I must say.

Mrs. Corinne Sabourin is happy to be the owner of a new 1975 Oldsmobile.

A farewell party was held at the Vimy Community Hall on Friday, May 2 in honour of Wilfrid and Gertie Provencal, who are now making their home in Westlock. Many relatives and friends gathered for an evening of

entertainment supplied by the "Satellites". At the door Mrs. Provencal received a beautiful pink and white corsage to compliment her outfit and Wilfrid received a carnation. Leo Provencal was m.c. and before the end of the evening presented the couple with a "purse of money." Rick Landry was then called upon to say a few words on behalf of all their friends in Vimy. Wilfrid and Gertie thanked everyone for coming and extended an invitation to their many friends to drop in and see them. A lunch concluded the evening.

Leo and I were very pleased to have Moe and Anne Provencal and their two girls from Peace River spend a few days over the weekend with us.

Roland and Richard Limoges and Ken Banner came home safely last week from California with their truck load of bees. Friday morning Roland and Ken left once again for California and more bees.

Horse Hill news

By Peggy Wenzel

The Community League is holding a Mother's Day tea and bake sale on Saturday, May 10 from two until four o'clock in the school gym. A display of crafts is planned in conjunction with this event, with some demonstrations. Residents can support their community league and at the same time see some new

ideas for the fall programs, as the organizers are interested in finding out which types of programs people are most interested in.

Mark your calendar also for June 14, the date of the "Oldtimers" hockey team dance, which will be a good time for all attending.

START YOUR BACKYARD GROWING AND FIGHT INFLATION AT THE SAME TIME.

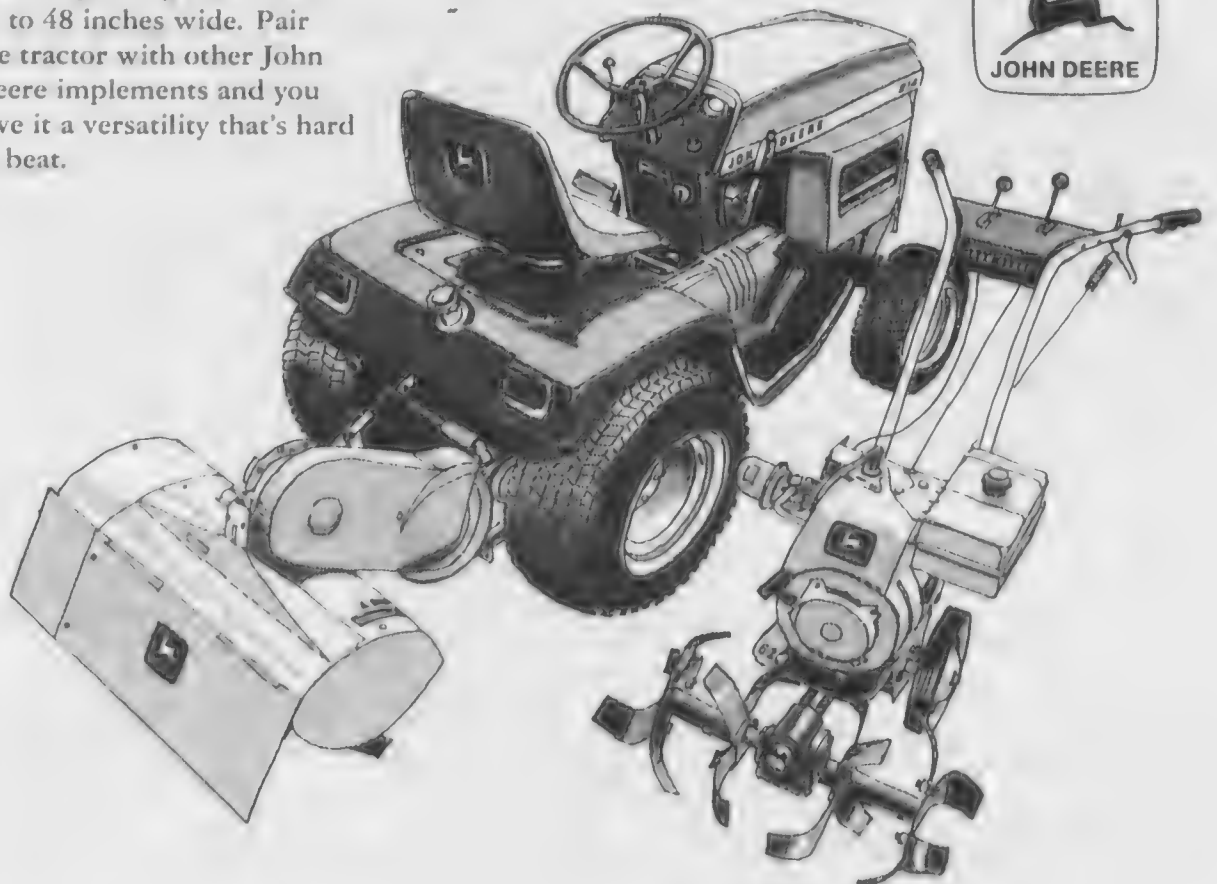

Growing your own vegetables means you can save dollars on your yearly food bill. But it can also cut into your leisure time with a lot of extra work. And that's where John Deere gardening equipment can lighten your growing pains.

If you're planting a lot, a John Deere Lawn and Garden Tractor gives you all the work capacity you need. Choose from six models. From 8 to 19.9 h.p. with matching tilling attachments 30 to 48 inches wide. Pair the tractor with other John Deere implements and you give it a versatility that's hard to beat.

Then if you're planting a little less, you'll be interested in a John Deere Rotary Tiller. Available in 3½ or 6 h.p. size, it'll work your soil to the desired depth in tilling widths of 13 to 24 inches. And this width may be extended to a full 34 inches with optional extension tines.

So whatever suits your growing needs best — a John Deere Lawn and Garden Tractor or Rotary Tiller —

they're both built with quality and reliability that's become a tradition. A tradition backed by John Deere dealers all across Canada who offer what you would expect from John Deere: expert service, outstanding parts availability, and convenient financing. That's why people say, "Nothing runs like a Deere".

Buttons & Bows achievement night

By Betty Gibson

The Namao 4H Buttons and Bows Sewing Club held its annual achievement night on April 24 at the Namao Hall. The club took the audience on a trip around the world in 80 minutes in a Sewing Sewing 707. The girls modelled their clothes that they had made and after a

singing song Lori Peterson presented a jazz routine. The awards given were as follows:

Best 1 unit member Heather Mickelson, Best 1 unit project book Heather Mickelson, Best second unit member Susan Craig, Best second unit project book Lori Peterson, trip to camp Mac-

kinicola Kathy Zaharichuk and Denise Powell, knitting Maria Huber, very enthusiastic member Rosalie Huber, Best third unit member Joanne Strong.

Most improved members in public speaking were Kathy Zaharichuk and Beth Strong. Best sewn garment Joanne Strong, Best display by points Janet Gibson, Best display by theme Betty Gibson, Best demonstration Heather Mickelson and Betty

Gibson, second place demonstration Susan Craig and Janet Gibson. Best first place public speaking junior Debbie Zaharichuk, second Susan Craig.

First place senior public speaking went to Janet Gibson, second place Bernadette Huber, efficiency winner 1974 Lanny Robertson, 1975 Marianne Mickelson, and Miss Buttons and Bows Betty Gibson. Terry Unrau and Debbie

Rye were presented with gifts for leading the first and second units. Also gifts were given to the leader Mrs. Donna Craig and assistant leaders Mrs. Betty Samis, Mrs. Norma Clark, and Mrs.

Dotis Rye in appreciation of their leadership and help that they gave so freely during the year. The club would like to thank everyone who donated awards and who have helped with the club.

Weyburn farmers begin inland terminal

A new era of tough competition in Prairie grain handling could be on the way courtesy of a group of farmers in the Weyburn, Sask. area. The farmers have pledged \$1.7 million, the equity share, in a \$4.7 million venture to build an inland grain terminal capable of handling wheat from farmers within a 50-mile radius of the southeastern Saskatchewan community. And, says the 2,300 member Palliser Wheat Growers Association (PWGA), the moving spirit behind the inland

terminal concept, the Weyburn terminal could be the first of several. Construction of the Weyburn super-elevator is due to begin next month, with November the target date for completion. It will have a capacity of 20 million bushels a year, although break-even comes at one quarter of that. The object is to have farmers deliver directly to the terminal, rather than to conventional country elevators. The wheat will then be cleaned and moved to ports by unit trains.

Cow in 1974 honours list

An Ebberdale farmer's cow will be in the 1974 honor's list for Canada for milk production.

Ebberdale Reflections Roslyn a Holstein Friesian cow was placed in third position in the 1974 Canadian records for her 23,617 pounds of milk in 305 days.

At an annual banquet held in the Leduc Legion Hall and sponsored by the Northern Alberta Holstein Club, a

trophy was presented to Albert J. Ebbens owner of the highest production cow in Northern Alberta in 1973.

The cow's test was 3.79 which is 206 and 213 BCA. She continued milking for 430 days producing 27,099 pounds of milk and 1064 pounds of fat with a 3.93 test. Roslyn also won the same trophy for being the highest producing Holstein cow in 1972.

Namao News

By Norma Crozier

Namao Happette Club will hold a spring tea and bake sale in the Community Hall on Saturday, May 31 from 2 p.m. - 4:30 p.m. They will also hold a White Elephant sale.

Namao UCW will hold their May meeting at the

home of Mrs. Betty Samis on Wednesday, May 14 at 1:30 p.m. All interested ladies of the district are invited to attend.

Get well wishes of the district to Dale and Carol James and family, we hope they will soon be well again.

in Gibbons

By Shirley Steilwand

There will be a meeting of the general membership of the Sturgeon River Agricultural Society on Monday, May 12, 1975, at 8 p.m., in the mezzanine of the Gibbons arena.

This is a most important meeting and we ask that all members attend if at all possible. Some very important issues are at hand, and the board requires your help in making decisions on these matters.

The 1st Gibbons Cubs and 1st and 2nd Brownie Packs will hold a clean-up day in Gibbons on Saturday, May 10.

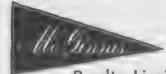

The Lions Club have kindly donated money for a winner roast following the clean up. The winner roast will be held behind the arena.

A defensive driving course is to be held in the Gibbons School on Tuesday, May 13 at 7 p.m. To register phone Mrs. Lore Grant at 799-9457, evenings only, please.

There are still three prizes drawn at Sno Ball 75 which have not been claimed. Please check your buttons, and if you have any of the following - #1985 - #2167 or #2161, contact the Village Office (Gibbons) before May 15.

Don't forget the Mother's Day service to be held at the Sunday School on Sunday.
